I. Introduction.

The Juniper Cove Community Development District (the “District” or “CDD”) was established by the enactment of Miami-Dade County Ordinance No. 21-139 on December 1, 2021. Such Ordinance became effective ten days later on December 11, 2021. The District is expected to encompass 154 single family units and 196 townhome units for a total of 350 residential units within 58.90 acres of land. The District is located in unincorporated Miami-Dade County, Florida, and is bounded by SW 192 Avenue on the west, theoretical SW 346 Street on the north, SW 189 Avenue on the east, and SW 352 Street on the south. Refer to Exhibits 1 and 2 for the location and boundary of the CDD.

The District will partially finance the public infrastructure improvements that support the Juniper Cove residential development including onsite road improvements (the “Onsite CDD Roads” and the Onsite County Roads); Miami-Dade County road impact fees; the stormwater and drainage facilities; and the water and sewer systems, including Miami-Dade County connection charges. In order for the District to construct or acquire completed infrastructure improvements related to the Development, the landowner will transfer to the CDD in fee simple and at no cost, the tracts for common open space and landscaping, the ingress and egress parcels; the forest preserve and the park. Together, the infrastructure improvements and the lands to be transferred to the CDD are referred hereinafter as the “Public Infrastructure.”

The developer of the Development and current owner of the District land is Forestar Real Estate Group, Inc. (the “Developer”). The Development is contained within the boundaries of the District which coincide with the boundaries of the tentative plats of Jinama South Subdivision and Jinama North Subdivision, as prepared by Ford Armenteros & Fernandez, Inc.

The land of the District will encompass CDD-owned and non-CDD-owned areas as shown in Table 1.

II. Purpose of this Engineer's Report.

This Engineer's Report was prepared for the purpose of describing the Public Infrastructure that supports the Development within the District and to report as to its estimated construction costs, status of permits, and schedule of construction. The Public Infrastructure is to be partially financed by the District and will specifically benefit the landowners and residents living within the CDD boundaries as well as incidentally benefitting the general public.

III. Description of the Public Infrastructure.

The Public Infrastructure, as described in this Report, consists of roadway, stormwater management, drainage, water, and sanitary sewer improvements that will give service and access to the 350 residential units located inside the District's boundary. The proposed Public Infrastructure, as outlined herein, is necessary for the functional development of the District and provides a direct and special benefit to the assessable lands within.

a. Roadway Improvements.

Onsite CDD Roads: The Onsite CDD Roads consist of the road right of ways within the townhomes areas of the District, that is, SW 189 Path, SW 189 Pass SW 190 Ave, SW 349 St, SW 191 Ave, SW 349 Terr, SW 348 Way, SW 349 St, and SW 348 Lane (Refer to Exhibit 2 for the location). The Roadway Improvements within the Onsite CDD Roads include earthwork, road subgrades, bases, asphalt pavement, sidewalks, signs, and pavement markings.

Onsite County Roads: The Onsite County Roads consist of the road right of ways within the single family homes areas of the District, that is, SW351 St, SW 350 St, SW 348 Terr, SW 347 Terr, SW 346 St, SW 191 Ct, SW 191 Ave, SW 190 Ave, SW 189 PL, and SW 189 Ct (Refer to Exhibit 2 for the location). The Roadway Improvements within the Onsite County Roads include earthwork, road subgrades, bases, asphalt pavement, sidewalks, signs, and pavement markings.

The Developer or the landowner at the time, intends to grant the onsite road right of ways to the District in fee simple and at no cost for the CDD, as indicated in Table 1, to either construct the roads or acquire them from the Developer when completed.

For the purpose of the District to finance the construction or acquisition of the Roadway Improvements, the Developer, or the landowner at the time, intends to grant to the District at no costs and in fee simple, the parcels as indicated in Table 1 above.

The Miami-Dade County Road Impact Fees are included in the estimated cost of the CDD roadway improvements. The Developer intends to advance the funds to pay for the impact fees on behalf of the District.

The irrigation systems and the landscaping within the CDD and County road right of ways may either be owned and maintained by the CDD or a homeowners' association, at the decision of the CDD Board of Supervisors and the Developer, since the CDD is not funding irrigation or landscaping. The irrigation systems and landscaping are to be transferred by the Developer to either entity by bill of sale at no cost.

b. Stormwater Management and Drainage Facilities.

The District will fund the construction, or acquisition of, the drainage components of the Development, which consists of inlets, manholes, pipes, exfiltration trenches and appurtenances within the Onsite CDD and County Roads, as well as in all the parcels listed in Table 1 above.

For the purpose of the District to finance the construction or acquisition of the stormwater management and drainage facilities, the Developer, or the landowner at the time, intends to grant to the District at no costs and in fee simple, the parcels as indicated in Table 1 above.

The District will not finance the cost of any earthwork that involves the transportation to, or the spreading or grading on, the private lots.

c. Water Distribution and Sewer Collection Systems.

The cost of constructing the water and sewer systems is included in the Public Infrastructure. The systems extend from the point of connection with Miami-Dade County Water and Sewer Department ("WASD") to the property lines of the residential lots. No lateral service lines beyond the water meters will be part of the Public Infrastructure.

The WASD Connection Charges are included in the estimated costs of the Public Infrastructure. The Developer intends to advance the funds to pay for the connection charges on behalf of the District.

d. The Forest Preserve and the Park.

The Developer intends to grant to the County the forest preserve parcel. The Developer intends to deed the park parcel in fee simple and at no cost to the CDD, as indicated in Table 1 above. The operations and maintenance of the forest and the park tracts may be assigned to the CDD.

IV. Estimated Schedule of Construction of the Public Infrastructure.

(2) Includes the cost of WASD water connection fees.

(3) Includes the cost of WASD sewer connection fees.

Details of the estimates of costs may be found in the table in the Appendix.

VIII. Engineer's Certification.

It is our opinion that the proposed improvements constituting the Public Infrastructure and their estimated costs are fair and reasonable, and that the residential lots within the assessment areas will receive a direct and special benefit equal to or greater than the cost of such improvements. The District will pay no more for the Public Infrastructure than the lesser of the actual cost or the fair market value thereof. We believe that the improvements can be permitted, constructed, and installed at the costs described in this report.

I hereby certify that the foregoing is a true and correct copy of the Engineer's Report for the Juniper Cove Community Development District.

1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report (the "Preliminary First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated February 7, 2022 and to provide a supplemental financing plan and a supplemental special assessment methodology for the Juniper Cove Community Development District (the "District"), located in unincorporated Miami-Dade County, Florida. This Preliminary First Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District to support the development of 350 residential dwelling units projected to be developed within the District.

1.2 Scope of the Preliminary First Supplemental Report

This Preliminary First Supplemental Report presents the projections for financing a portion of the District's Capital Improvement Plan described in the Engineer's Report Infrastructure Improvements developed by Alvarez Engineers, Inc. (the "District Engineer") and dated February 7, 2022 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the Capital Improvement Plan.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the Capital Improvement Plan create special and peculiar benefits, different in kind and degree from the general and incidental benefits to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's Capital Improvement Plan enables properties within the boundaries of the District to be developed.

There is no doubt that the general public and owners of property outside the District will benefit from the provision of the Capital Improvement Plan. However, these benefits are only incidental since the Capital Improvement Plan is designed solely to provide special benefits peculiar to property within the District. Properties

outside the District are not directly served by the Capital Improvement Plan and do not depend upon the Capital Improvement Plan to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The Capital Improvement Plan will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the Capital Improvement Plan. Even though the exact value of the benefits provided by the Capital Improvement Plan is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Plan as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District will serve the Juniper Cove development (the "Development"), a master planned, residential development located in unincorporated Miami-Dade County, Florida. The land within the District consists of approximately 58.92 +/- acres and is generally located north of SW 352 Street, south of SW 344 Street, west of SW 187 Avenue and east of SW 192 Avenue.

2.2 The Development Program

The development of Juniper Cove is anticipated to be conducted by Forestar Real Estate Group Inc. or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 350 residential dwelling units, although land use types and unit numbers may change throughout the development period (herein the "Development Plan"). Table 1 in the *Appendix* illustrates the Development Plan for the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 The Capital Improvement Plan

The Capital Improvement Plan is designed to serve and will benefit the 350 residential dwelling units that are projected to be developed within the District. The District, however, reserves the right to create distinct assessment areas to coincide with the phases of development. The Capital Improvement Plan will consist of roadway improvements, a stormwater management system, a water distribution system and a sanitary sewer system as set forth in more detail in the Engineer's Report. At the time of this writing, the total cost of the Capital Improvement Plan is estimated to total approximately \$12,975,000.

The public infrastructure improvements that comprise the Capital Improvement Plan will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the Capital Improvement Plan.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Capital Improvement Revenue Bonds, Series 2024 in the estimated principal amount of \$6,015,000* (the "Series 2024 Bonds") to fund an estimated \$5,352,288* in Capital Improvement Plan costs, with the balance of the costs in the estimated amount of \$7,622,712* anticipated to be financed by the Developer and contributed to the District at no cost.

4.2 Types of Bonds Proposed

The Series 2024 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments. Interest payments on the Series 2024 Bonds would be made every May 1 and November 1, and annual principal payments on the Series 2024 Bonds would be made on every May 1 or November 1.

In order to finance a portion of the costs of the Capital Improvement Plan, the District would need to borrow more funds and incur indebtedness in the total amount estimated at \$6,015,000*. The difference is comprised of funding a debt service reserve, funding capitalized interest, and paying costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2024 Bonds are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2024 Bonds provides the District with a

*Preliminary, subject to change

portion of funds necessary to construct/acquire the public infrastructure improvements which are part of the Capital Improvement Plan outlined in Section 3.2 and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties within the District that derive special and peculiar benefits from the Capital Improvement Plan. All properties within the District that will receive special benefits from the Capital Improvement Plan will be assessed for their fair share of the debt issued in order to finance a portion of the Capital Improvement Plan.

5.2 Benefit Allocation

The most current development plan for the District envisions the development of 350 residential dwelling units, although unit numbers and land use types may change throughout the development period.

The public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated such that they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Capital Improvement Plan have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem special assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem special

assessment amount levied for, the improvement or debt allocated to that parcel.

In following the Master Report, this Preliminary First Supplemental Report proposes to allocate the benefit associated with the Capital Improvement Plan to the different product types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes will use and benefit from the improvements which are part of the Capital Improvement Plan less than products with larger lot sizes. For instance, generally and on average products with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes. Additionally, the value of the products with larger lot sizes is likely to appreciate by more in terms of dollars than that of the products with smaller lot sizes as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received from the District's Capital Improvement Plan.

Based on the ERU benefit allocation illustrated in Table 4, Table 5 in the *Appendix* presents the allocation of the amount of Capital Improvement Plan costs to the various product types proposed to be developed within the District based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2024 Bonds, and the approximate costs of the portion of the Capital Improvement Plan to be contributed by the Developer, as the case may be. With the Series 2024 Bonds funding approximately \$5,352,288* in costs of the Capital Improvement Plan, the Developer is anticipated to fund improvements valued at an estimated cost of \$7,622,712* which will not be funded with proceeds of the Series 2024 Bonds.

*Preliminary, subject to change

Finally, Table 7 in the *Appendix* presents the apportionment of the bond assessments securing the Series 2024 Bonds (the "Series 2024 Bond Assessments") and also presents the projected annual debt service assessments per unit.

Amenities - No Series 2024 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2024 Bond Assessments and would be open to the general public, subject to District rules and policies.

Governmental Property - If at any time, any portion of the property contained in the District is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity (without consent of such governmental unit to the imposition of Series 2024 Bond Assessments thereon), all future unpaid Series 2024 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

New Product Types - Generally stated, the Series 2024 Bond Assessments have been established based on an ERU value per front foot for the anticipated product types as set forth in Table 4. However, as noted herein and in the Master Report, additional product types may be developed throughout the development period. In such an event, the District's Assessment Consultant will determine ERU allocations, and the resulting Series 2024 Bond Assessment, for the added product types based on the underlying ERU values per front foot set forth in Table 4, which allocation may be considered and finalized by the Board after due notice and public hearing.

Contributions - The Developer has opted to "buy down" the Series 2024 Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Series 2024 Bond Assessments to reach certain target levels. The amount of such "buy down" for the Series 2024 Bond Assessments is identified in Table 6. Note that any "true-up," as described herein, may require a monetary payment to satisfy "true-up" obligations as well as additional contributions (which may be in the form of additional public infrastructure) to maintain such target assessment levels. Any amounts contributed by the Developer

to pay down the Series 2024 Bond Assessments will not be eligible for “deferred costs” or any other form of repayment.

5.3 Assigning Debt

As the land in the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2024 Bond Assessments will initially be levied on all of the land in the District on an equal pro-rata gross acre basis and thus the total bonded debt in estimated amount of \$6,015,000* will be preliminarily levied on approximately 58.92 +/- gross acres at a rate of \$102,087.58* per gross acre.

As the land is platted, the Series 2024 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the *Appendix*. Such allocation of the Series 2024 Bond Assessments to platted parcels will reduce the amount of the Series 2024 Bond Assessments levied on unplatted gross acres within the District.

In the event unplatted land is sold to a third party (the “Transferred Property”), the Series 2024 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Preliminary First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2024 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2024 Bond Assessment is allocated to the Transferred Property at the time of the sale.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to the assessable properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

*Preliminary, subject to change

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Capital Improvement Plan make the land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Plan, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the public infrastructure improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Series 2024 Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Plan by different unit types.

Accordingly, no acre or parcel of property within the District will be liened for the payment of Series 2024 Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 4 in the *Appendix*. At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-

approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2024 Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2024 Bond Assessments to the product types being platted and the remaining property in accordance with this Preliminary First Supplemental Report, and cause the Series 2024 Bond Assessments to be recorded in the District's improvement lien book.

b. If a Proposed Plat within the District has more than the anticipated ERUs (and Series 2024 Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Series 2024 Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2024 Bond Assessments for all assessed properties within the District, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within the District has fewer than the anticipated ERUs (and Series 2024 Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Series 2024 Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2024 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2024 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in their sole discretion what amount of ERUs (and thus Series 2024 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within the District, taking into account the Proposed Plat, by reviewing: a) the original, overall Development Plan showing the number and type of units reasonably planned for the District, b) the revised, overall Development Plan showing the number and type of

units reasonably planned for within the District, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within the District, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised Development Plan, and e) documentation that shows the feasibility of implementing the proposed Development Plan. Prior to any decision by the District not to impose a True-Up Payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2024 Bond Assessments to pay debt service on the Series 2024 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable by the landowner of the lands subject to the Proposed Plat within the District prior to platting, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2024 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the Series 2024 Bonds)).

All Series 2024 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Series 2024 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or the need for any True-Up Payments. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement to be entered into by and between the District and the Developer and applicable assessment resolution(s).

5.7 Assessment Roll

The Series 2024 Bond Assessments in the estimated amount of \$6,015,000 are proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, Series 2024 Bond Assessments shall be paid in no more than thirty (30) annual principal installments.

RESOLUTION NO. 2025-03

A RESOLUTION DELEGATING TO THE CHAIRMAN OF THE BOARD OF SUPERVISORS OF JUNIPER COVE COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") THE AUTHORITY TO APPROVE THE SALE, ISSUANCE AND TERMS OF SALE OF JUNIPER COVE COMMUNITY DEVELOPMENT DISTRICT CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2024, AS A SINGLE SERIES OF BONDS UNDER THE MASTER TRUST INDENTURE (THE "SERIES 2024 BONDS") IN ORDER TO FINANCE THE SERIES 2024 PROJECT; ESTABLISHING THE PARAMETERS FOR THE PRINCIPAL AMOUNTS, INTEREST RATES, MATURITY DATES, REDEMPTION PROVISIONS AND OTHER DETAILS THEREOF; APPROVING THE FORM OF AND AUTHORIZING THE CHAIRMAN TO ACCEPT THE BOND PURCHASE CONTRACT FOR THE SERIES 2024 BONDS; APPROVING A NEGOTIATED SALE OF THE SERIES 2024 BONDS TO THE UNDERWRITER; APPROVING THE FORMS OF THE MASTER TRUST INDENTURE AND FIRST SUPPLEMENTAL TRUST INDENTURE AND AUTHORIZING THE EXECUTION AND DELIVERY THEREOF BY CERTAIN OFFICERS OF THE DISTRICT; APPOINTING A TRUSTEE, PAYING AGENT AND BOND REGISTRAR FOR THE SERIES 2024 BONDS; APPROVING THE FORM OF THE SERIES 2024 BONDS; APPROVING THE FORM OF AND AUTHORIZING THE USE OF THE PRELIMINARY LIMITED OFFERING MEMORANDUM AND LIMITED OFFERING MEMORANDUM RELATING TO THE SERIES 2024 BONDS; APPROVING THE FORM OF THE CONTINUING DISCLOSURE AGREEMENT RELATING TO THE SERIES 2024 BONDS; AUTHORIZING CERTAIN OFFICERS OF THE DISTRICT TO TAKE ALL ACTIONS REQUIRED AND TO EXECUTE AND DELIVER ALL DOCUMENTS, INSTRUMENTS AND CERTIFICATES NECESSARY IN CONNECTION WITH THE ISSUANCE, SALE AND DELIVERY OF THE SERIES 2024 BONDS; AUTHORIZING THE VICE CHAIRMAN AND ASSISTANT SECRETARIES TO ACT IN THE STEAD OF THE CHAIRMAN OR THE SECRETARY, AS THE CASE MAY BE; SPECIFYING THE APPLICATION OF THE PROCEEDS OF THE SERIES 2024 BONDS; AUTHORIZING CERTAIN OFFICERS OF THE DISTRICT TO TAKE ALL ACTIONS AND ENTER INTO ALL AGREEMENTS REQUIRED IN CONNECTION WITH THE ACQUISITION AND CONSTRUCTION OF THE SERIES 2024 PROJECT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors of Juniper Cove Community Development District (the "Board" and the "District," respectively) has determined to proceed at this time with the sale and issuance of Juniper Cove Community

Development District Capital Improvement Revenue Bonds, Series 2024 (the "Series 2024 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of the first day of the first month and year in which Bonds are issued thereunder (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2024 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Series 2024 Project;

WHEREAS, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2024 Bonds, it is necessary and desirable for the Series 2024 Bonds to be sold by negotiated sale rather than competitive bid;

WHEREAS, the Board has received a proposal from FMSbonds, Inc. (the "Underwriter") for the purchase of the Series 2024 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Contract (the "Purchase Contract") in substantially the form attached hereto as Exhibit A for the sale of the Series 2024 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

WHEREAS, in conjunction with the sale and issuance of the Series 2024 Bonds, it is necessary to approve the forms of the Master Indenture and Supplemental Indenture, to establish the parameters for the delegated award of the Series 2024 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2024 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2024 Bonds and to provide for various other matters with respect to the Series 2024 Bonds and the undertaking of the Series 2024 Project.

NOW, THEREFORE, BE IT RESOLVED that:

1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

2. Award. The Purchase Contract in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2024 Bonds to the Underwriter upon the terms and conditions therein set forth, but within the

Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Contract on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Contract, which approval shall be conclusively evidenced by the execution and delivery thereof. In the absence or unavailability of the Chairman, the Vice Chairman is authorized and directed to execute the Purchase Contract, and in the absence or unavailability of the Vice Chairman, any other member of the Board is authorized and directed to execute the Purchase Contract. The Purchase Contract, when executed and delivered by the District and the Underwriter, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

3. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2024 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds.

4. Approval of Forms of Master Indenture and Supplemental Indenture; Appointment of Trustee, Paying Agent and Bond Registrar. Attached hereto as Exhibit B are the forms of the Master Indenture and Supplemental Indenture, which are each hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Master Indenture and Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Master Indenture and Supplemental Indenture which, when executed and delivered by the Trustee, shall each constitute the legal, valid and binding obligation of the District, enforceable in accordance with its respective terms. U.S. Bank Trust Company, National Association, is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Indenture.

5. Description of Series 2024 Bonds. The Series 2024 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Contract and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2024 Bonds may be signed by the manual or facsimile signature of the Chairman and attested by the manual or facsimile signature of the Secretary. The Series 2024 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Contract and in the form of Series 2024 Bonds attached to the Supplemental Indenture, which form is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The series designation 2024 may be changed to 2025 if the Series 2024 Bonds

are delivered in calendar year 2025. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2024 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2024 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement. The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Contract (the "Limited Offering Memorandum") relating to the Series 2024 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve (such approval to be conclusively evidenced by the execution of the Limited Offering Memorandum), and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2024 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (except for information concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman which approval shall be evidenced by the execution thereof).

The Continuing Disclosure Agreement relating to the Series 2024 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

7. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2024 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of

the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirements of Section 286.011, Florida Statutes.

8. Other Actions. The Chairman, the Secretary, and all other members, officers and employees of the Board and the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2024 Bonds and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, the Indenture, this Resolution, the Continuing Disclosure Agreement and the Purchase Contract, in all cases within the Parameters.

The Vice Chairman is hereby authorized to act in the stead of the Chairman in any undertaking authorized or required of the Chairman hereunder and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

9. Deposits to Funds and Accounts. The Trustee is hereby authorized and directed to apply the proceeds of the Series 2024 Bonds in the amounts and in the manner set forth in Section 402 of the Supplemental Indenture.

10. Undertaking of the Series 2024 Project; Execution and Delivery of Other Instruments. The Board hereby authorizes the undertaking of the Series 2024 Project and authorizes and directs the District staff and Consulting Engineer to proceed with due diligence to the completion thereof in accordance with the Indenture and as described in the Limited Offering Memorandum. The Board hereby authorizes the Chairman and the Secretary to execute and deliver, receive or enter into such agreements, contracts, documents, instruments, certificates and proceedings incident thereto or necessary in order to effect the undertaking of the Series 2024 Project and the issuance, sale and delivery of the Series 2024 Bonds, including but not limited to the execution and delivery of the DTC Letter of Representation.

11. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents and consultants of the District in furtherance of the issuance of the Series 2024 Bonds are hereby approved, confirmed and ratified.

12. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in

clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. **Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [PLOM Date] (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District related to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the execution and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

OPINION OF DISTRICT COUNSEL

[Closing Date]

Juniper Cove Community Development District
Miami-Dade County, Florida

FMSbonds, Inc.
North Miami Beach, Florida

U.S. Bank Trust Company, National Association, as Trustee
Fort Lauderdale, Florida

Re: \$[PAR] Juniper Cove Community Development District Capital Improvement
Revenue Bonds, Series 2024 (the “Bonds”)

Ladies and Gentlemen:

We serve as counsel to Juniper Cove Community Development District (the “District”), in connection with the issuance of the Bonds.

Unless otherwise expressly defined herein, capitalized terms used herein shall have the respective meanings assigned to them in the Master Trust Indenture dated as of December 1, 2024, as supplemented by the First Supplemental Trust Indenture dated as of December 1, 2024 (collectively, the “Indenture”) each between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and in the Bond Purchase Contract dated [Pricing Date] (the “Purchase Contract”), between the District and FMSbonds, Inc., as Underwriter.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. The District has been established and validly exists as a community development district and independent local unit of special-purpose government under applicable Florida law. The Bond Purchase Contract, the Indenture, the DTC Letter of Representations, the Continuing Disclosure Agreement, the Acquisition Agreement (Series 2024 Project) between the District and the Developer dated as of the [Closing Date], the Completion Agreement (Series 2024 Project) between the District and the Developer dated as of [Closing Date] (the “Completion Agreement”), the Collateral Assignment and Assumption of Development Rights relating to Juniper Cove (Series 2024 Bonds) dated as of [Closing Date] in recordable form by and between the District and the Developer (the “Collateral Assignment”), the True-Up Agreement (Series 2024 Bonds) between the District and the Developer to be dated the Closing Date in recordable form (the “True-Up Agreement”) and the Declaration of Consent to Jurisdiction of Juniper Cove Community Development District and to Imposition of Special Assessments (Series 2024 Bonds) to be dated the Closing Date in recordable form by the Developer (the “Declaration”) (collectively, the “Financing Documents”) and the Bonds have been duly authorized, executed and delivered, and

assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Bonds, Resolution No. 2022-27 and No. 2025-__ adopted by the Board of Supervisors of the District (the “Board”) on February 7, 2022 and November 18, 2024, respectively (collectively, the “Bond Resolution”), and Resolution No. 2022-25, 2022-26, 2022-30 and 2025-__ duly adopted by the Board on February 7, 2022, February 7, 2022, April 18, 2022 and _____, 2024, respectively (collectively, the “Assessment Resolution”), constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors’ rights generally and general principles of equity. The Bond Resolution and the Assessment Resolution are in full force and effect.

2. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memorandum or the collection of Series 2024 Assessments or the pledge of and lien on the Series 2024 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Bonds or the authorization of the Bond Resolution, the Assessment Resolution, the Financing Documents or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memorandum; (d) specifically contesting the federal or state tax status of the Bonds; or (e) contesting the completeness or accuracy of the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum or any supplement or amendment thereto.

3. The District has duly authorized, executed, and delivered the Limited Offering Memorandum.

4. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the “Limited Offering Memoranda”), as counsel to the District, the statements contained in the Limited Offering Memoranda as they relate to the District under the captions “LITIGATION – The District” and “VALIDATION,” are fair and accurate. The information set forth under the captions “INTRODUCTION,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT” (except as to the statements contained under “The District Manager and Other Consultants”), “ASSESSMENT METHODOLOGY” (with respect to the second paragraph), “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “CONTINUING DISCLOSURE,” “ENFORCEABILITY OF REMEDIES” and “AUTHORIZATION AND APPROVAL,” is a fair and accurate summary of the law relating to collection and enforcement of special assessments and the documents and facts summarized therein.

5. The District is not, in any manner material to the issuance of the Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement,

or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state “Blue Sky” or other securities laws, as may be applicable.

6. The execution and delivery of the Bonds, the Financing Documents and the adoption of the Bond Resolution and the Assessment Resolution and compliance with the provisions on the District’s part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Bonds or the Financing Documents.

7. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state “Blue Sky” laws or other securities laws.

8. The District has the right and authority under the Act and other state law to adopt the Bond Resolution and the Assessment Resolution, to issue the Bonds, to purchase the Capital Improvement Plan being financed with the proceeds of the Bonds and to levy the Series 2024 Assessments that will secure the Bonds, and has duly adopted the Bond Resolution and the Assessment Resolution. The District has or can acquire good and marketable title to the Capital Improvement Plan free of all liens and encumbrances except such as will not materially interfere with the proposed uses thereof.

9. All proceedings undertaken by the District with respect to the Series 2024 Assessments securing the Bonds, including adoption of the Assessment Resolution, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2024 Assessments. The Series 2024 Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2024 Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid, excluding federal tax liens.

10. The Bonds have been validated by a final judgment of the Eleventh Circuit Court in and for Miami-Dade County, Florida, of which no timely appeal was filed.

11. The District has the full power and authority to own and operate the Capital Improvement Plan.

12. All conditions prescribed in the Indenture and the Purchase Contract to be performed by the District as precedent to the issuance of the Bonds have been fulfilled.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. Other than the signatures of District officers and members of the Board, we have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due authorization, execution and delivery of each document by each of the other respective parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

The opinions or statements expressed above are based solely on the laws of Florida and the United States of America, excluding matters of compliance with or applicability of tax laws, "Blue Sky" laws or other securities laws. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

Very truly yours,

There is no litigation pending or, to the best of the Developer's knowledge after due inquiry, threatened which (i) would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as Appendix C or (ii) may result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.

13. Except as disclosed in the Limited Offering Memoranda, the Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment.

14. The Developer acknowledges that the Series 2024 Bonds have the debt service requirements set forth in the Limited Offering Memoranda and that the Series 2024 Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Series 2024 Bonds when due, all as more particularly described in the Limited Offering Memoranda.

15. The Developer acknowledges that it will have no rights under Chapter 170, Florida Statutes, as amended, to prepay, without interest, the Series 2024 Assessments imposed on lands in the District owned by the Developer within thirty (30) days following completion of the Capital Improvement Plan and acceptance thereof by the District.

16. Except as disclosed in the Limited Offering Memoranda, during the past five (5) years, the Developer has been in compliance with all prior continuing disclosure undertakings in connection with Rule 15c2-12 of the Securities and Exchange Act of 1934, as amended.

2. We hereby consent to the use of such Assessment Methodology in the Limited Offering Memoranda and consent to the references to us therein.

4. As District Manager, nothing has come to our attention that would lead us to believe that the Limited Offering Memoranda, as they relate to the District, the Capital Improvement Plan, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the Capital Improvement Plan equals or exceeds the Series 2024 Assessments, and the Series 2024 Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Series 2024 Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Series 2024 Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing

such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial

redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

**ARTICLE IV
ACQUISITION AND CONSTRUCTION FUND**

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) ***Expenses of Bond Issuance.*** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a

certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the remaining Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account.

(c) ***Acquisition Expenses.*** The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) ***Construction Expense.*** All costs incurred, including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

(ix) Costs incurred to enforce remedies against contractors, subcontractors, any provider of labor, material, services or any other person for a default or breach under the corresponding contract, or in connection with any dispute.

(x) Premiums for contract bonds and insurance during construction and costs on account of personal injuries and property damage in the course of construction and insurance against the same.

(xi) Expenses of management and supervision of a Series Project.

(xii) Costs of effecting compliance with any and all governmental permits relating to a Series Project.

(xiii) Payments, contributions, dedications, fair share or concurrency obligations and any other exactions as a condition to receive any government approval or permit necessary to accomplish any District purpose (including but not limited to impact fees, utility connection fees, school concurrency fees, etc.).

(xiv) Any other "cost" or expense as provided by the Act.

(f) **Refinancing Costs.** All costs described in (a) through (e) above or otherwise permitted by the Act associated with refinancing or repaying any loan or other debt obligation of the District.

Section 404. Disposition of Balances in Acquisition and Construction Fund. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Prepayment Subaccount in the Series Redemption Account, or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Subaccount in the Supplemental Indenture relating to such Series of Bonds.

ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds

and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund.

(a) **Deposits.** The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

(i) the amount set forth in the Supplemental Indenture relating to such Series of Bonds;

(ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;

(iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof;

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project;

(v) amounts received from impact fee credits and/or utility connection fee credits; and

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b)

or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of at least twenty-five percent (25%) in principal amount of any Outstanding Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

Section 505. Debt Service Fund.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the

principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) ***Disposition of Remaining Amounts on Deposit in Series Revenue Account.*** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property

Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) ***Series Reserve Account.*** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) ***Series Debt Service Account.*** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) ***Series Redemption Account.*** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for

such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, provided however, that consistent with Section 301, such price does not exceed the highest Redemption Price, which is the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series

Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If

any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) ***Survival.*** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) ***Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.*** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) ***Series Reserve Account.*** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) ***Investment Obligations as a Part of Funds and Accounts.*** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or

surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event

of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee

shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District. No such removal shall be effective until any amounts owed to the Trustee hereunder have been paid in full.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with,

any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of the Majority Owners or, if there is a Credit Facility or Liquidity Facility with respect to any Series of Bonds, any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

Section 615. Instruments of Succession. Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein, except for the predecessor's rights under Section 604 hereof. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder; and the Trustee ceasing to act and the District shall execute

and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 616. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If a successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

Section 618. Removal of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such instrument); provided, however, that no such removal shall be effective until the

successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

Section 619. Appointment of Successor Paying Agent or Bond Registrar. In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

Section 620. Qualifications of Successor Paying Agent or Bond Registrar. Every successor Paying Agent or Bond Registrar shall (a) be a commercial bank or trust company duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar. Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or Bond Registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

Section 622. Successor by Merger or Consolidation. Any corporation, entity or purchaser into which any Paying Agent or Bond Registrar hereunder may be merged, converted or sold or with which it may be consolidated or into which substantially all of its corporate trust assets shall be sold or otherwise conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale

to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

Section 623. Brokerage Statements. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 624. Patriot Act Requirements of the Trustee. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Section 625. Public Records Laws. The Trustee understands and agrees that all documents of any kind provided to the District in connection with this Indenture may be public records, and, accordingly, the Trustee agrees to comply with all applicable provisions of Florida law (if any) in handling such records, including but not limited to Section 119.0701, Florida Statutes.

Section 804. Power to Issue Bonds and Create a Lien. The District hereby represents to the Trustee and to the Owners that it is and will be duly authorized under all applicable laws to issue the Bonds of each Series, to execute this Master Indenture, to adopt Supplemental Indentures, and to pledge its moneys, securities and funds in the manner and to the extent provided herein. Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues. The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

Section 806. Sale of Series Projects. The District covenants that, until such time as there are no Bonds of a Series Outstanding, it will not sell, lease or otherwise dispose of or encumber the related Series Project or any part thereof other than as provided herein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell

or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

Section 807. Completion and Maintenance of Series Projects. The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

Section 808. Accounts and Reports.

(a) **Annual Report.** The District shall, within thirty (30) days of receipt and approval by the District, so long as any Bonds are Outstanding, deliver to each Requesting Owner (hereinafter defined), and otherwise as provided by law, a copy of its annual audit for such year, accompanied by an Accountant's Certificate, including (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year, and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner

in the case of Bonds held in book-entry form) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information in writing to the District.

(b) ***No Default Certificate.*** The District shall file with the Trustee, so long as any Bonds are Outstanding, a certificate of an Authorized Officer upon the occurrence of an Event of Default as described in Section 902(h) hereof, such certificate to contain a description of the nature of such Event of Default and actions taken or to be taken to remedy such Event of Default.

(c) ***Inspection.*** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner of at least twenty-five percent (25%) in principal amount of any Series of Bonds Outstanding at the designated office of the District upon the giving of at least five (5) days advance written notice to the District or the Trustee, as the case may be.

(d) ***Reports Pursuant to Uniform Special District Accountability Act of 1989.*** The District covenants and agrees that it will comply with the provisions of Chapter 189.01 et seq., Florida Statutes, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

Section 810. Enforcement of Payment of Assessments. The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid

the proceeds of such Assessments, Benefit Special Assessments, and/or any other sources as received to the Trustee in accordance with the provisions hereof.

Section 811. Method of Collection of Assessments and Benefit Special Assessments. The District shall levy and collect Assessments and Benefit Special Assessments in accordance with applicable State law.

Section 812. Delinquent Assessments. If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment or Benefit Special Assessment, pledged to a Series of Bonds, then such Assessment or Benefit Special Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

Section 813. Deposit of Proceeds from Sale of Tax Certificates. If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien. If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount

less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

Section 815. Other Obligations Payable from Assessments or Benefit Special Assessments. The District will not issue or incur any obligations payable from the proceeds of Assessments or Benefit Special Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments or Benefit Special Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

Section 816. Re-Assessments. If any Assessment or Benefit Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment or Benefit Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment or Benefit Special Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment or Benefit Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment or Benefit Special Assessment from legally available moneys, which

moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment or Benefit Special Assessment shall also be annulled, the District shall obtain and make other Assessments or Benefit Special Assessments until a valid Assessment or Benefit Special Assessment shall be made.

Section 817. General. The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall not enter into any contract or take any action by which the rights of the Trustee or the Owners may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

Section 818. Continuing Disclosure. The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other

intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 901. Extension of Interest Payment. If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of such Bonds then Outstanding and of all accrued interest the time for payment of which shall not have been extended, shall have previously been paid in full.

Section 902. Events of Default. Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(a) Any payment of Debt Service on such Series of Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the related Series Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets

or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final

judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for

such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or

future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to

exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X
EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF
OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI
SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or
- (b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be

refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

(ii) a reduction in the principal, premium, or interest on any Bond of such Series;

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture

supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's

request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to

evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) the Trustee shall have received an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and

discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

ARTICLE XIII MISCELLANEOUS PROVISIONS

Section 301. Bonds Subject to Redemption. The Series 2024 Bonds are subject to redemption prior to maturity as provided in the form thereof attached hereto as Exhibit B. Interest on Series 2024 Bonds which are called for redemption shall be paid on the date of redemption from the Series 2024 Interest Account or from the Series 2024 Revenue Account to the extent moneys in the Series 2024 Interest Account are insufficient for such purpose. Moneys in the Series 2024 Optional Redemption Subaccount shall be applied in accordance with Section 506 of the Master Indenture to the optional redemption of Series 2024 Bonds.

ARTICLE IV DEPOSIT OF SERIES 2024 BOND PROCEEDS AND APPLICATION THEREOF; ESTABLISHMENT OF ACCOUNTS AND OPERATION THEREOF

Section 401. Establishment of Accounts. There are hereby established, as needed, the following Accounts:

(a) within the Acquisition and Construction Fund held by the Trustee, a Series 2024 Acquisition and Construction Account and a Series 2024 Costs of Issuance Account;

(b) within the Debt Service Fund held by the Trustee: (i) a Series 2024 Debt Service Account and therein a Series 2024 Sinking Fund Account, a Series 2024 Interest Account and a Series 2024 Capitalized Interest Account; and (ii) a Series 2024 Redemption Account and therein a Series 2024 Prepayment Subaccount and a Series 2024 Optional Redemption Subaccount;

(c) within the Reserve Fund held by the Trustee, a Series 2024 Reserve Account, which shall be held for the benefit of all of the Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another;

(d) within the Revenue Fund held by the Trustee, a Series 2024 Revenue Account; and

(e) within the Rebate Fund held by the Trustee, a Series 2024 Rebate Account.

Section 402. Use of Series 2024 Bond Proceeds. The net proceeds of sale of the Series 2024 Bonds in the amount of \$[NP] (consisting of \$[Bond Amount].00 principal amount of Series 2024 Bonds [less/plus] [net] original issue [discount/premium] in the amount of \$[OID/OIP] and less underwriter's discount in the amount of \$[UD]), shall as soon as practicable upon the delivery thereof to the Trustee by the District pursuant to Section 207 of the Master Indenture, be applied as follows:

(a) \$[RAR], representing the Series 2024 Reserve Account Requirement at the time of issuance of the Series 2024 Bonds, shall be deposited to the credit of the Series 2024 Reserve Account;

(b) \$[COI], representing the costs of issuance relating to the Series 2024 Bonds, shall be deposited to the credit of the Series 2024 Costs of Issuance Account;

(c) \$[CAPI], representing Capitalized Interest on the Series 2024 Bonds through and including May 1, 2025, shall be deposited to the credit of the Series 2024 Capitalized Interest Account; and

(d) \$[CD] shall be deposited to the credit of the Series 2024 Acquisition and Construction Account.

Section 403. Series 2024 Acquisition and Construction Account; Series 2024 Costs of Issuance Account. (a) Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay Costs of the Series 2024 Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached hereto as Exhibit C. The Trustee shall have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Series 2024 Project. The Consulting Engineer shall establish a Date of Completion for the Series 2024 Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Series 2024 Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2024 Bond attached hereto as Exhibit B. Notwithstanding the foregoing, the

District shall not establish a Date of Completion until both the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2 have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 hereof. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

(b) The amount deposited in the Series 2024 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2024 Bonds. On the earlier to occur of (x) the written direction of an Authorized Officer or (y) six (6) months from the date of issuance of the Series 2024 Bonds, any amounts deposited in the Series 2024 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2024 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds shall be paid from excess moneys on deposit in the Series 2024 Revenue Account pursuant to Section 408(d) FOURTH hereof. When such deficiency has been satisfied and no moneys remain therein, the Series 2024 Costs of Issuance Account shall be closed.

Section 404. Series 2024 Capitalized Interest Account. Amounts on deposit in the Series 2024 Capitalized Interest Account shall, until and including May 1, 2025, be transferred into the Series 2024 Interest Account and applied to the payment of interest first coming due on the Series 2024 Bonds in accordance with Section 408(d) hereof, and thereafter transferred into the Series 2024 Acquisition and Construction Account, whereupon the Series 2024 Capitalized Interest Account shall be closed.

Section 405. Series 2024 Reserve Account. The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such

forty-fifth (45th) day), the Trustee is hereby authorized and directed to recalculate the Series 2024 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2024 Reserve Account whereupon the District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(f) herein.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments; Selection of Bonds for Redemption. (a) The Amortization Installments established for the Series 2024 Bonds shall be as set forth in the form of Series 2024 Bonds attached hereto.

(b) Upon any redemption of Series 2024 Bonds (other than Series 2024 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2024 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2024 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2024 Bonds of all of the maturities in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2024 Bonds.

Section 407. Tax Covenants. The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set forth as an exhibit to the Arbitrage Certificate, as amended and supplemented from time to time in accordance with their terms.

Section 408. Series 2024 Revenue Account; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit in the

Series 2024 Interest Account, or (y) the amount remaining in the Series 2024 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2024 Capitalized Interest Account in accordance with this Section 408(d) and (ii) the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20[___], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 hereof.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. Other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology,

and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

Section 704. Collection of Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted lots and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 705. Foreclosure of Assessment Lien. Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2024 Assessments and Series 2024 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section 705. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request

therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 706. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2024 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Series 2024 Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Series 2024 Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

Section 708. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce,

or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Section 709. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2024 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2024 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2024 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2024 Assessments, the terms and conditions under which the Series 2024 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2024 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2024 Bonds as to the lien and pledge of the Series 2024 Trust Estate except, under certain circumstances, Refunding Bonds, and the Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2024 Assessments.

* Final maturity

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2024 Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2024 Prepayments, required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount resulting from a reduction in the Series 2024 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later

deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2024 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

JUNIPER COVE COMMUNITY DEVELOPMENT DISTRICT
(MIAMI-DADE COUNTY, FLORIDA)
CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2024

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale and issuance by the Juniper Cove Community Development District (the “District” or “Issuer”) of its \$6,015,000* Capital Improvement Revenue Bonds, Series 2024 (the “Series 2024 Bonds”).

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 21-139 enacted by the Board of County Commissioners of Miami-Dade County, Florida (the “County”) on December 1, 2021 and became effective on December 11, 2021. The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, landscape and hardscape improvements, and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 58.9+/- gross acres of land located entirely within the unincorporated area of the County. The District is planned to contain a residential community known as “Juniper Cove” and referred to herein as the “Development.” The Development is planned to contain approximately 350 residential units consisting of (i) 196 townhome units and (ii) 154 single-family homes. See “THE DEVELOPMENT – Development Plan/Status” herein. The Series 2024 Bonds are payable from and secured by the Series 2024 Trust Estate, which includes the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds. The Series 2024 Pledged Revenues consist of the revenues derived by the District from the Series 2024 Assessments. “Series 2024 Assessments” shall mean the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series

* Preliminary, subject to change.

2024 Assessment Proceedings (as defined in the First Supplemental Indenture). The Series 2024 Pledged Funds include all of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. The Series 2024 Assessments will be initially levied on the 58.9+/- gross acres of the District until such time as lots in the Development are platted. As platting of the planned 350 lots within the Development occurs, the Series 2024 Assessments will be assigned to the platted lots in the Development on a first platted, first assigned basis. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein.

Forestar (USA) Real Estate Group Inc., a Delaware corporation (the “Developer”), is the primary landowner and developer of the lands in the Development and is selling developed lots to D.R. Horton, Inc., a Delaware corporation (“Horton” or the “Builder”) who intends to market and construct homes for sale to homebuyers. As of October 28, 2024, the Developer owns the land planned for all 350 lots within the Development. The first takedown by Horton is expected to occur in May 2025. See “THE DEVELOPMENT – Builder Contract” herein and “THE DEVELOPER AND THE BUILDER” herein for additional information regarding the Developer, the Builder and the Development.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolution No. 2022-27 and Resolution No. 2025-__ adopted by the Board of Supervisors of the District (the “Board”) on February 7, 2022 and November 18, 2024, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture dated as of December 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of December 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” attached hereto.

Proceeds of the Series 2024 Bonds will be used to provide funds to (i) finance a portion of the Cost of acquiring, constructing and equipping the Capital Improvement Plan (as hereinafter defined), (ii) pay certain costs associated with the issuance of the Series 2024 Bonds, (iii) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, and (iv) pay a portion of the interest to become due on the Series 2024 Bonds. See “ESTIMATED SOURCES AND USES OF FUNDS” and “THE CAPITAL IMPROVEMENT PLAN” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Capital Improvement Plan, the Development, the Developer, a description of the terms of the Series 2024 Bonds and summaries of certain terms of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and the Act, and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof; provided however, if any initial beneficial

owner does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must either execute and deliver to the Underwriter on the date of delivery of the Series 2024 Bonds an investor letter in substantially the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended. The Series 2024 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2024 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2025, and any other date the principal of the Series 2024 Bonds is paid. "Quarterly Redemption Date" means February 1, May 1, August 1 and November 1 of any calendar year. Each Series 2024 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (i) is an Interest Payment Date to which interest on such Series 2024 Bond has been paid, in which event such Series 2024 Bond shall bear interest from its date of authentication, or (ii) is prior to the first Interest Payment Date for the Series 2024 Bonds, in which event such Series 2024 Bond shall bear interest from its date. Interest on the Series 2024 Bonds will be computed in all cases on the basis of a 360-day year of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2024 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York, and purchases of beneficial interests in the Series 2024 Bonds will be made in book-entry only form. The Series 2024 Bonds will initially be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System" and "SUITABILITY FOR INVESTMENT" below.

U.S. Bank Trust Company, National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2024 Bonds.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust

& Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2024 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct

Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS OF THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS OF THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

The Series 2024 Bonds are payable from and secured by the Series 2024 Trust Estate, which includes the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds. The Series 2024 Pledged Revenues consist of the revenues derived by the District from the Series 2024 Assessments. "Series 2024

Assessments” shall mean the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series 2024 Assessment Proceedings, corresponding in amount to the Debt Service on the Series 2024 Bonds and designated as such in the Assessment Methodology (as defined herein). The Series 2024 Pledged Funds include all of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture.

The Assessment Methodology, which describes the methodology for allocating the Series 2024 Assessments to the assessable lands within the District, is included as APPENDIX D hereto. The Series 2024 Assessments will be levied pursuant to Section 190.022 of the Act, and the Series 2024 Assessment Proceedings. Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Assessments will constitute a lien against the land as to which the Series 2024 Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2024 Assessments are initially levied on approximately 58.9+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 350 lots within the Development occurs, the Series 2024 Assessments will be assigned to platted lots in the Development on a first platted, first assigned basis. Assuming that all of the 350 planned residential units within the Development are developed and platted, then the Series 2024 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” herein and “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Assessments Per Unit*</u>
Townhome	196	\$1,100
<u>Single-Family</u>	<u>154</u>	<u>\$1,300</u>
Total	350	

* Preliminary, subject to change. This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$___ per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$___ per month per unit in the aggregate. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 17.0541 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2024 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The First Supplemental Indenture provides that, other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees in the First Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. “Substantially Absorbed” is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling seventy-five percent (75%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely. Notwithstanding the foregoing, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Assessments, on the same lands upon which the Series 2024 Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that, until such time as there are no Outstanding Series 2024 Bonds, it will not sell, lease or otherwise dispose of or encumber the Capital Improvement Plan or any part thereof other than as provided therein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with the Capital Improvement Plan, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of the Capital Improvement Plan, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the Series 2024 Acquisition and Construction Account or, after the Date of Completion of the Capital Improvement Plan, shall be applied as provided in the First Supplemental Indenture. The District may from time to time sell or lease such other property forming part of the Capital Improvement Plan which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Capital Improvement Plan, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as provided in the Master Indenture for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the First Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of the Capital Improvement Plan, other than any portion of the Capital Improvement Plan the revenues to be derived from the operation of which are pledged to the Series 2024 Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Capital Improvement Plan

or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Capital Improvement Plan. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” attached hereto for more information.

Series 2024 Reserve Account

The Indenture establishes a Series 2024 Reserve Account within the Reserve Fund for the Series 2024 Bonds. The Series 2024 Reserve Account will be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. “Series 2024 Reserve Account Requirement” is defined in the First Supplemental Indenture as an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #1 are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to twenty-five percent (25%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #2 are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2024 Bonds, the Series 2024 Reserve Account Requirement shall be \$_____. “Reserve Account Release Conditions #1” is defined in the First Supplemental Indenture to mean collectively, that (a) all lots subject to Series 2024 Assessments have been developed and platted, and (b) there are no Events of Default occurring or continuing under the Indenture. The District Engineer shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee affirming clause (b), on which certifications the Trustee may conclusively rely. “Reserve Account Release Conditions #2” is defined in the First Supplemental Indenture to mean collectively, that (a) all of the Reserve Account Release Conditions #1 have been satisfied, (b) all homes within the District have received a certificate of occupancy, (c) all of the principal portion of the Series 2024 Assessments has been assigned to such homes, (d) all Series 2024 Assessments are being collected pursuant to the Uniform Method, and (e) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2024 Bonds. The District manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred and affirming clause (e), on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the Trustee is hereby authorized and directed to recalculate the Series 2024 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2024 Reserve Account whereupon the

District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted in the Series 2024 Bonds and the Indenture, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption in the Series 2024 Bonds and the Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Deposit and Application of the Series 2024 Pledged Revenues

Pursuant to the First Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024

Bonds set forth in the form of Series 2024 Bonds attached to the First Supplemental Indenture and the provisions of the Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2024 Interest Account, or (y) the amount remaining in the Series 2024 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2024 Capitalized Interest Account in accordance with the provisions of the First Supplemental Indenture and (ii) the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20__ and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025*, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(b) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025*, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 of the First Supplemental Indenture. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” attached hereto.

Re-Assessments

Pursuant to the Master Indenture, if any Series 2024 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2024 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2024 Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case any such subsequent Series 2024 Assessment shall also be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

Prepayment of Series 2024 Assessments

Pursuant to the Series 2024 Assessment Proceedings, an owner of property subject to the Series 2024 Assessments may pay all or a portion (one time) of the principal balance of such Series 2024 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Quarterly Redemption Date for the Series 2024 Bonds, or, if prepaid during the forty-five (45) day period preceding such Quarterly Redemption Date, on the second succeeding Quarterly Redemption Date.

An owner of property subject to the levy of Series 2024 Assessments may pay the entire balance of the Series 2024 Assessments remaining due, without interest, within thirty (30) days after the Capital Improvement Plan has been completed or acquired by the District, and the Board has adopted a resolution

* Preliminary, subject to change.

accepting the Capital Improvement Plan pursuant to Chapter 170.09, Florida Statutes. The Developer, as the owner of all of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2024 Bonds.

Any prepayment of Series 2024 Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds as indicated under “DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2024 Assessments does not entitle the owner of the property to a discount for early payment.

Developer Agreements

The Developer and the District will enter into an Acquisition Agreement (Series 2024 Project) in connection with the issuance of the Series 2024 Bonds, pursuant to which the District will acquire all or portions of the Capital Improvement Plan from the Developer. It is anticipated that the Developer will sell certain portions of the Capital Improvement Plan to the District prior to the issuance of the Series 2024 Bonds and the District will use a portion of the proceeds of the Series 2024 Bonds to pay the Developer for such previously-sold portions of the Capital Improvement Plan.

The Developer will enter into several other agreements with the District in connection with the issuance of the Series 2024 Bonds. Specifically, the Developer will enter into a Completion Agreement (Series 2024 Project) (the “Completion Agreement”) that will obligate the Developer to complete any portions of the Capital Improvement Plan not funded with proceeds of the Series 2024 Bonds. Notwithstanding such Completion Agreement, there is a risk that the Capital Improvement Plan will not be completed. See “BONDOWNERS’ RISK – No. 16” herein.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights Relating to Juniper Cove (Series 2024 Bonds) (the “Collateral Assignment”) agreement pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Capital Improvement Plan. Notwithstanding such Collateral Assignment agreement, and in the event the District forecloses on the lands subject to the Series 2024 Assessments as a result of a Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Capital Improvement Plan or the development of the lands in the District sufficient to absorb the allocation of the Series 2024 Assessments. See “BONDOWNERS’ RISK – No. 16” herein.

Finally, the Developer will also enter into a True-Up Agreement (Series 2024 Bonds) (the “True-Up Agreement”) in connection with its obligations to pay true-up payments in the event that, generally stated, debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto for additional information regarding the “true-up mechanism.”

The descriptions of the various agreements herein are all qualified by the specific terms of the agreements. All such obligations of the Developer are unsecured obligations.

Indenture Provisions Relating to Bankruptcy or Insolvency of Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%)

of the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”).

In the Indenture, the District acknowledges and agrees that, although the Series 2024 Bonds will be issued by the District, the Beneficial Owners of such Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer (a) the District agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the then Outstanding Series 2024 Bonds, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the then Outstanding Series 2024 Bonds, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following request for consent), (b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the then Outstanding Series 2024 Bonds, the then Outstanding Series 2024 Bonds or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee, (c) the District agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the then Outstanding Series 2024 Bonds, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following request for consent), (d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments relating to the then Outstanding Series 2024 Bonds, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments relating to the then Outstanding Series 2024 Bonds, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer’s exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code and (e) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee’s enforcement of the District’s claim and rights with respect to the Series 2024 Assessments relating to the then Outstanding Series 2024 Bonds or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Series 2024 Assessments pledged to the then Outstanding Series 2024 Bonds, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments relating to the then Outstanding Series 2024 Bonds whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

- (a) any payment of Debt Service on the Series 2024 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Capital Improvement Plan;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged a bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the Federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2024 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds);

(h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2024 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2024 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2024 Bonds then Outstanding and affected by such default; and

(i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Series 2024 Assessments pledged to the Series 2024 Bonds are not paid by the date such are due and payable.

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2024 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2024 Bonds and allowed pursuant to Federal or State law, the District acknowledges and agrees that (a) upon failure of any property owner to pay an installment of Series 2024 Assessments collected directly by the District when due, that the entire Series 2024 Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within one hundred twenty (120) days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Acceleration of Maturities of Series 2024 Bonds Under Certain Circumstances. Upon the happening and continuance of any Event of Default above with respect to the Series 2024 Bonds, the Trustee shall, upon written direction of the Majority Owners of the Series 2024 Bonds then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Series 2024 Bonds then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Series 2024 Bonds or in the Indenture authorizing such Series 2024 Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Series 2024 Bonds secured by Series 2024 Assessments, except to the extent that the Series 2024 Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Series 2024 Bonds then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, moneys shall have accumulated in the Series 2024 Revenue Account sufficient to pay the principal of all matured Series 2024 Bonds and all arrears of interest, if any, upon all Series 2024 Bonds then Outstanding (except the aggregate principal amount of any Series 2024 Bonds then Outstanding that is only due because of a declaration under the provisions of the Indenture, and except for the interest accrued on the Series 2024 Bonds since the last Interest Payment Date), and all amounts then payable by the District under the Indenture shall have been paid or a sum sufficient to pay the same shall have been deposited with

the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Series 2024 Bonds then Outstanding that is due only because of a declaration under the provisions of the Indenture) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series 2024 Bonds then Outstanding not then due except by virtue of a declaration under the provisions of the Indenture, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Pro Rata Application of Funds Among Owners of Series 2024 Bonds. Anything in the Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2024 Funds and Accounts shall not be sufficient to pay Debt Service on the Series 2024 Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in Article IX of the Master Indenture or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Series 2024 Bonds shall have become due and payable or shall have been declared due and payable pursuant to the provisions of the Indenture, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Series 2024 Bonds, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Series 2024 Bonds.

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2024 Bonds which shall have become due (other than Series 2024 Bonds called for redemption for the payment of which sufficient moneys are held pursuant to the Master Indenture), in the order of their due dates, with interest upon the Series 2024 Bonds at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Series 2024 Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Series 2024 Bonds entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Series 2024 Bonds shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of the Indenture, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Series 2024 Bonds, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Series 2024 Bond over any other Series 2024 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2024 Bonds.

(c) If the principal of all the Series 2024 Bonds shall have been declared due and payable pursuant to the provisions of the Indenture, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of the Indenture, then, if the aggregate principal amount of all of the Series 2024 Bonds shall later become due or be declared due and payable pursuant to the provisions of the Indenture, the moneys remaining in and thereafter accruing to the Series 2024 Revenue Account shall be applied in accordance with subsection (b) above.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the Series 2024 Assessments imposed on assessable lands within the District specially benefited by the Capital Improvement Plan pursuant to the Series 2024 Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto.

The imposition, levy, and collection of Series 2024 Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Miami-Dade County Tax Collector (the “Tax Collector”) or the Miami-Dade County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays in the collection of Series 2024 Assessments, or complete inability to collect any of the Series 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on such Series 2024 Bonds. See “BONDOWNERS’ RISKS Nos. 1 and 2” herein. To the extent that landowners fail to pay the Series 2024 Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (1) the benefit from the Capital Improvement Plan to the lands subject to the Series 2024 Assessments must exceed or equal the amount of the Series 2024 Assessments, and (2) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefitted properties. At closing, the Assessment Consultant will certify that these requirements have been met with respect to the Series 2024 Assessments.

Pursuant to the Act, and the Series 2024 Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Assessments, and will enforce that bill through foreclosure proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto. As lands are developed, the Series 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual

installment of principal and/or interest of a special assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay the Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See “BONDOWNER’S RISKS.”

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2024 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November

and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of “tax certificates,” as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds that (1) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (2) future landowners and taxpayers in the District will pay such Series 2024 Assessments, (3) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2024 Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of “tax certificates” and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs, and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs, and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs, and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the

time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate

holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS” herein.

BONDOWNERS’ RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

1. As of the date hereof, the Developer [and the Builder] own[s] all of the lands within the District, which are the lands that will initially be subject to the Series 2024 Assessments securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein. Payment of the Series 2024 Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in the District. See “THE DEVELOPER AND THE BUILDER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2024 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the Series 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted unless the Majority Owners of the Series 2024 Bonds Outstanding direct the District to use the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by Federal, State and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien

on such land. There is no assurance that the landowners will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2024 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the Capital Improvement Plan is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Capital Improvement Plan is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay Debt Service on the Series 2024 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

3. The value of the lands subject to the Series 2024 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

4. The development of the Capital Improvement Plan is subject to comprehensive Federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Zoning and Permitting," and "– Environmental" herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. See "BONDOWNERS' RISKS – No. 21" herein.

6. Neither the Developer nor any other subsequent landowner in the District has any personal obligation to pay the Series 2024 Assessments. As described in paragraph 2 above, the Series 2024 Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2024 Assessment and the recourse for the failure of the

Developer or any other landowner to pay the Series 2024 Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.

8. The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. The Series 2024 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors. See “BONDOWNERS’ RISKS – No. 21” below.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2024 Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Landowners” herein. If the District has difficulty in collecting the Series 2024 Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account.

10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the Development and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable Federal,

State or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments if the Series 2024 Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2024 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of Series 2024 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2024 Assessment even though the landowner is not contesting the amount of the Series 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD

with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it would withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the District has been established for six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Developer. Currently, all members of the Board of the District were elected by the Developer and none were elected by qualified electors or resident landowners. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or Federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS

with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that Federal or State regulatory authorities could also determine that the District is not a political subdivision for purposes of the Federal and State securities laws. Accordingly, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. See also “TAX MATTERS” herein.

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Capital Improvement Plan, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Capital Improvement Plan. Further, the First Supplemental Indenture provides that, other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” for more information. The Developer will enter into the Completion Agreement with the District with respect to any unfinished portions of the Capital Improvement Plan not funded with

the proceeds of the Series 2024 Bonds. The Developer will also execute and deliver to the District the Collateral Assignment agreement, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Capital Improvement Plan. Notwithstanding such Collateral Assignment agreement, in the event the District forecloses on the lands subject to the Series 2024 Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the development of the Capital Improvement Plan. Horton's obligation to close on the lots under the Purchase and Sale Agreement (as hereinafter defined) is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Purchase and Sale Agreement, there is a risk that Horton will not close on the lots within the District. See "THE CAPITAL IMPROVEMENT PLAN" and "THE DEVELOPMENT" herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

18. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

20. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could

adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by Horton and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 5” and “–No. 16” herein.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2024 Assessments by owners of the property within the Development or from excess moneys in the Series 2024 Acquisition and Construction Account after the completion of the Capital Improvement Plan. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and the initial owners of any Premium Bonds (as defined herein) would receive less than the price they paid for the Series 2024 Bonds. See “DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 21-139 enacted by the Board of County Commissioners of the County on December 1, 2021 and effective on December 11, 2021, pursuant to the provisions of the Act. The boundaries of the District include approximately 58.9+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

As a special district, the District has only those powers specifically delegated to it by the Act and the Ordinance, or necessarily implied from powers specifically delegated to it. The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below: [Confirm]

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Sarah Wicker*	Chairperson	November 2026
Mary Moulton*	Vice-Chairperson	November 2028
Beth Ann Grossman*	Assistant Secretary	November 2026
Deborah Leonard**	Assistant Secretary	November 2026
Rebecca Cortes**	Assistant Secretary	November 2028

* Employee of, or affiliated with, the Developer.

** Employee of, or affiliated with, the Builder.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt and Associates, LLC, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Road, Suite #410W, Boca Raton, Florida.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Alvarez Engineers, Inc., Doral, Florida, as District Engineer; and Billing, Cochran, Lyles, Mauro & Ramsey, P.A., Fort Lauderdale, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2024 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE CAPITAL IMPROVEMENT PLAN

Alvarez Engineers, Inc. (the “District Engineer”) prepared a report entitled Engineer’s Report Infrastructure Improvements for Juniper Cove Community Development District, dated February 7, 2022, as may be amended and supplemented from time to time (the “Engineer’s Report”). The Engineer’s Report sets forth certain public infrastructure improvements for the development of the 350 residential units planned for the Development, including without limitation, the improvements set forth below, as more particularly described in the Engineer’s Report attached hereto as APPENDIX C. The District Engineer, in the Engineer’s Report, estimates that the public infrastructure associated with the Development totals \$12,975,000, as more particularly described below (the “Capital Improvement Plan”).

<u>Capital Improvement Plan Description</u>	<u>Estimated Costs</u>
Roadway Improvements (including road impact fees)	\$ 6,786,000
Stormwater Management and Drainage	1,243,000
Water Distribution System (including connection fees)	1,910,000
Sanitary Collection System (including connection fees)	<u>3,036,000</u>
Total	<u>\$12,975,000</u>

The Series 2024 Bonds are being issued in order to finance a portion of the Capital Improvement Plan. The net proceeds of the Series 2024 Bonds to be deposited in the Series 2024 Acquisition and Construction Account will be approximately \$5.35 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Capital Improvement Plan. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the Capital Improvement Plan not funded with proceeds of the Series 2024 Bonds. See “BONDOWNERS’ RISKS – No. 16” and “THE DEVELOPMENT – Land Acquisition and Finance Plan” herein.

Land development associated with the Development is underway and is being installed in two phases. Phase one of the Development is planned for 186 lots (“Phase One”) and phase two of the Development is planned for the remaining 164 lots (“Phase Two”). Land development associated with Phase One is substantially complete, with final completion expected by April 2025. A final plat for Phase One is expected to be recorded by February 2025. Land development associated with Phase Two is expected to commence in _____ 20__ with completion expected by August 2025. A final plat for Phase Two is expected to be recorded in May 2025. As of the date hereof, the Developer has spent approximately \$[10 million][Confirm; If land development costs are 12 million and land development within Phase Two has not commenced, should this be updated?] towards land development. See “THE DEVELOPMENT – Development Plan / Status” herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Capital Improvement Plan that are set forth in the Engineer’s Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Zoning and Permitting” for a more detailed description of the zoning and permitting status of the Development. See “APPENDIX C – ENGINEER’S REPORT” attached hereto for more information regarding the above improvements.

The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER AND THE BUILDER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by it. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 58.9+/- gross acres located entirely within an unincorporated area of Miami-Dade County, Florida (the “County”) and are being developed as a 350-unit residential community known as “Juniper Cove” (the “Development”). The Development is bounded on the west by SW 192 Avenue, on the north by SW 346 Street, on the east by SW 189 Avenue, and on the south by SW 352 Street. The Development is generally located near Florida City, Florida within the County, approximately 2 miles to the west of the Florida Turnpike exit onto US Highway 1. Downtown Miami is located approximately 40 miles to the northeast of the Development.

The Series 2024 Bonds are being issued in order to finance a portion of the Capital Improvement Plan. The Series 2024 Bonds will be secured by the Series 2024 Assessments, which will initially be levied on the 58.9+/- gross acres of the District. As platting of the planned 350 lots within the Development occurs, the Series 2024 Assessments will be assigned to the platted lots in the Development on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto and “– Taxes, Fees and Assessments” herein for more information.

Forestar (USA) Real Estate Group Inc., a Delaware corporation (the “Developer”), is the primary landowner and developer of the lands in the Development and is selling developed lots to D.R. Horton, Inc., a Delaware corporation (“Horton” or the “Builder”) who intends to market and construct homes for sale to homebuyers. As of October 28, 2024, the Developer owns the land planned for all 350 lots within the Development. The first takedown by Horton is expected to occur in May 2025. See “THE DEVELOPMENT – Builder Contract” herein and “THE DEVELOPER AND THE BUILDER” herein for additional information.

At build-out, the Development is planned to contain approximately 350 residential units consisting of (i) 196 townhome units and (ii) 154 single-family homes. Townhomes will range in size from approximately 1,625 square feet to 1,644 square feet and starting price points will range from approximately \$439,990 to \$444,990. Detached single-family homes will range in size from approximately 1,319 square feet to 2,499 square feet and starting price points will range from approximately \$534,990 to \$594,990. The target customers for residential units within the Development are first time homebuyers. See “– Residential Product Offerings” herein for more information.

Land Acquisition and Finance Plan

The Developer acquired the land within the District in two transactions on October 18, 2018 and March 31, 2022, respectively, for approximately \$5.7 million in the aggregate. Horton holds an earnest money mortgage on the lands within Phase One.

The Developer estimates that the total land development costs associated with the Development will be approximately \$12.9 million, consisting of the costs of the Capital Improvement Plan. As of the date hereof, the Developer has spent approximately \$[10 million][Confirm; If land development costs are 12 million and land development within Phase Two has not commenced, should this be updated?] towards land development, a portion of which has been spent towards the Capital Improvement Plan. The net proceeds from the Series 2024 Bonds to be deposited in the Series 2024 Acquisition and Construction Account will be approximately \$5.35 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Capital Improvement Plan. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the Capital Improvement Plan not funded with proceeds of the Series 2024 Bonds. See “BONDOWNERS’ RISKS – No. 16” herein.

Development Plan / Status

Land development associated with the Development is underway and is expected to be completed by August 2025. Mass grading and clearing of the Development is complete. The Development will be developed in phases, as more particularly set forth below.

Phase One. Phase One is planned to contain 186 units consisting of (i) 110 townhome units and (ii) 76 single-family homes. Land development associated with Phase One is substantially complete, with final completion expected by April 2025. A final plat for Phase One is expected to be recorded in February 2025.

Phase Two. Phase Two is planned to contain 164 units consisting of (i) 86 townhome units and (ii) 78 single-family homes. Land development associated with Phase Two is expected to commence in _____ 20__ with completion expected by August 2025. A final plat for Phase Two is expected to be recorded in May 2025.

As of October 28, 2024, the Developer owns the land planned for all 350 lots within the Development. The first takedown by Horton is expected to occur in May 2025. Sales within the Development are expected to commence in the fourth calendar quarter of 2025. The Developer expects Horton to construct 3 model townhomes and 3 model single-family homes, which are estimated to be completed by October 2025.

The Developer anticipates that approximately 200 residential units will be sold and closed with homebuyers per annum until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

* Preliminary, subject to change.

Builder Contract [Any further amendments to the PSA?]

The Developer has entered into a Purchase and Sale Agreement dated October 16, 2018, as amended and restated by the First Amendment and Restated Purchase and Sale Agreement dated January 28, 2022 (collectively, the “Purchase and Sale Agreement”), with Horton for the sale of 186 developed lots planned for the Development, for a purchase price of approximately \$72,500 per townhome lot and \$104,500 per single-family lot, plus an additional consideration of 6% per annum per lot, which additional consideration begins to accrue on any lots remaining after the first takedown described below until the closing of such lots. In connection therewith, Horton has made an earnest money deposit of \$1,591,700 in exchange for a first lien mortgage and security agreement on the 186 lots within the Development, which has been released to the Developer. Pursuant to the Purchase and Sale Agreement, Horton will acquire the homebuilding development rights for 186 residential units within the Development. Lots will be purchased in three takedowns, the first takedown for 61+/- lots, the second takedown for 62+/- lots, and the third takedown for 63+/- lots, with the first takedown expected to occur in May 2025 and each subsequent takedown expected to occur 3 months after the prior takedown. Horton’s obligation to close on lots under the Purchase and Sale Agreement is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Purchase and Sale Agreement, there is a risk that Horton will not close on lots within the Development.

The Developer is expected to enter into a contract with Horton for the sale of the remaining 164 lots within the Development in the first calendar quarter of 2025. See “BONDOWNERS’ RISKS – No. 16” herein.

Residential Product Offerings

The target customers for units within the Development are first time homebuyers. Below is a summary of the expected types of units and price points for units in the Development.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Starting Price Point</u>
Townhome	1,625 to 1,644	3 to 4 Bedrooms, 2.5 Baths	\$439,990
Single-Family	1,319 to 2,499	3 to 4 Bedrooms, 2 to 3 Baths	\$534,990

Zoning and Permitting [any material development obligations?]

The land within the District, including, without limitation, the land therein subject to the Series 2024 Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. [Please provide the PUD]

Environmental

Two Phase I Environmental Site Assessments were prepared by Brown and Caldwell (“BC”), dated July 6, 2018 and January 14, 2022, respectively (collectively, the “ESA”), covering the land in the Development. The land in the Development was used for agricultural purposes since at least 1978. The ESA identified the previous agricultural use, including the presence of barn structures, as a recognized environmental condition in connection with the Development. BC has received approval from the Miami Dade County Department of Environmental Resources Management (“DERM”) for a contamination assessment plan that is currently being implemented. [Additional soil testing did not reveal contamination

above soil cleanup target levels and groundwater monitoring remains ongoing. The Developer is seeking a No Further Action with Conditions (“NFAC”) from DERM that will include implementation of engineering controls in the form of institutional controls that may include prohibition on use of groundwater for any purpose on the land within the Development. The institutional controls will be imposed through recordation of a Declaration of Restrictive Covenant.][Confirm]

[The remaining groundwater monitoring to be completed within the Development is not expected to have an adverse effect on construction or sales of residential units within the Development.][Confirm] See “BONDOWNERS’ RISK - No. 10” herein for more information regarding potential environmental risks.

Utilities

Potable water and wastewater treatment for the Development are expected to be provided by [the County][Confirm]. Electric power is expected to be provided by Florida Power & Light Company. Cable television and broadband cable services are expected to be provided by AT&T. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2024 Assessments are initially levied on approximately 58.9+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 350 lots within the Development occurs, the Series 2024 Assessments will be assigned to platted lots in the Development on a first platted, first assigned basis. Assuming that all of the 350 planned residential units within the Development are developed and platted, then the Series 2024 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” herein and “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Assessments Per Unit*/**</u>	<u>Series 2024 Bonds Par Debt Per Unit*</u>
Townhome	196	\$1,100	\$15,833
Single-Family	154	\$1,300	\$18,712
Total	350		

*Preliminary, subject to change.

**This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$350 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be [\$120 per townhome annually and \$100 per single-family home annually][Confirm]; which amounts are subject to change. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 17.0541 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2024 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over

the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend Florida City Elementary School, which is located approximately 1.2 miles from the Development and was rated “C” by the Florida Department of Education for 2024. Students in middle school are expected to attend Homestead Middle School, which is located approximately 2.7 miles from the Development and was rated “C” by the Florida Department of Education for 2024. Students in high school are expected to attend Homestead Senior High School, which is located approximately 2.7 miles from the Development and was rated “B” by the Florida Department of Education for 2024. Alternatively students of all ages are able to attend Miami Community Charter School for ages K-12, which is located approximately 0.5 miles from the Development and was rated “C” by the Florida Department of Education for 2024. There are also several other private and charter school alternatives in the vicinity of the Development.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Messina Place, Parker Pointe and Vista Sol.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

THE DEVELOPER AND THE BUILDER

Forestar (USA) Real Estate Group Inc., a Delaware corporation (the “Developer”), is a wholly-owned subsidiary of Forestar Group Inc. (“Forestar”). Forestar is a residential and real estate development company with operations in [57 markets in 23 states as of December 31, 2023][Update]. As of the date hereof, Forestar is a majority-owned subsidiary of D.R. Horton, Inc. (“Horton” or the “Builder”).

Both Forestar’s (under the symbol FOR), and Horton’s (under the symbol DHI), common stock trades on the New York Stock Exchange. Forestar and Horton are subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance therewith file reports, proxy statements and other information, including financial statements, with the Securities and Exchange Commission (the “SEC”). Such filings, particularly Forestar’s and Horton’s annual and quarterly reports filed on Form 10-K and Form 10-Q, set forth certain data relative to the consolidated results of operations and financial position of Horton, Forestar, and their subsidiaries as of such date. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Forestar and Horton. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Forestar or Horton pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes.

NEITHER THE DEVELOPER, HORTON NOR ANY OF THE OTHER ENTITIES LISTED ABOVE ARE GUARANTEEING PAYMENT OF THE SERIES 2024 BONDS OR THE SERIES 2024 ASSESSMENTS. NONE OF THE ENTITIES LISTED HEREIN, OTHER THAN THE DEVELOPER

AND HORTON, HAS ENTERED INTO ANY AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2024 BONDS.

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology Report dated February 7, 2022 (the “Master Methodology”), as supplemented by the Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2024 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), which describes the methodology for allocation of the Series 2024 Assessments to lands within the District, has been prepared by Wrathell, Hunt and Associates, LLC (in such capacity, the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2024 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

[The Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per equivalent residential unit (“ERU”) remaining on any unplatted or replatted land is never allowed to increase above its maximum debt per ERU level. If the debt per ERU remaining on unplatted or replatted land increases above the maximum debt per ERU level, a debt reduction payment would be made by the Developer or any other landowner, as applicable, so that the maximum debt per ERU level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds.] The Developer is expected to enter into the True-Up Agreement in connection with its obligations to pay true-up payments. The obligations of the Developer under such True-Up Agreement are unsecured obligations. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto for additional information regarding the “true-up mechanism.”

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is included as APPENDIX B hereto, the interest on the Series 2024 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions. Failure by the District to comply subsequently to the issuance of the Series 2024 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (the “Code”), including but not limited to requirements regarding the use, expenditure and investment of Series 2024 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2024 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2024 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2024 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2024 Bonds and the payment of certain arbitrage earnings in excess of the “yield” on the Series 2024 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2024 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2024 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2024 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2024 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2024 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE SERIES 2024 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2024 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2024 Bonds in their particular state or local jurisdictions.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2024 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the “Proposed Regulations”) and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department (“Treasury”) announced that it would withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.” The Proposed Regulations were officially withdrawn on October 20, 2017.

Original Issue Discount

Certain of the Series 2024 Bonds (the “Discount Bonds”) may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Series 2024 Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. A purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2024 Bonds (the “Premium Bonds”) may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the Capital Improvement Plan subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2024 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2024 Bonds does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2024 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2024 Assessment Proceedings.

The Developer

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Capital Improvement Plan or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

NO RATING

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Alvarez Engineers, Inc., Doral, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt and Associates, LLC, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2024 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

Since its creation, the limited expenses of the District have been funded entirely by payments from the Developer made pursuant to a developer funding agreement between the District and the Developer.

Therefore, as of the date of this Limited Offering Memorandum, the financial statements of the District would not contain any information material to an investment decision with respect to the Series 2024 Bonds.

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT" attached hereto. Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into any continuing disclosure obligation in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District has appointed the District Manager to initially serve as the Dissemination Agent for the Series 2024 Bonds.

Also, pursuant to the Disclosure Agreement, the Developer will covenant to provide certain financial information and operating data relating to the Development and the Developer on a quarterly basis. The Developer has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing

disclosure agreements entered into pursuant to the Rule. WHEREAS, as a condition of the District acquiring the Improvements that constitute part of the Series 2024 Project, the Engineer will certify that the Improvements or the portion of the Improvements being conveyed to the District pursuant to this Agreement are part of the Series 2024 Project and will certify that the cost to be charged to the District for each portion of the Improvements being conveyed to the District pursuant to this Agreement does not exceed the lower of (i) the documented actual cost of such Improvements or (ii) the Engineer's estimated fair market value of such Improvements; and

WHEREAS, the District Board of Supervisors has determined that it is in the best interests of the District, its future landowners and residents to enter into this Agreement and to acquire the Improvements and interests in real property that are part of the Series 2024 Project.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and for Ten and no/100ths (\$10.00) Dollars and other good and valuable consideration from the District to the Developer, the receipt and sufficiency of which are hereby acknowledged, acknowledged, and subject to the terms and conditions hereof, the parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. APPLICABLE PROVISIONS; MAXIMUM PAYMENT.

2.1 It is contemplated by the parties that the Improvements will be completed and conveyed by the Developer to the District. The provisions of Section 3 and Section 4 hereof specifically applicable to the conveyance of Improvements and the Series 2024 Project by the Developer to the District, and the provisions of Section 5 hereof specifically apply to the payment of impact fees or connection fees that are part of the Series 2024 Project. The District agrees to pay the Developer subsequent to the issuance of the Series 2024 Bonds from the amount of net proceeds available from the Series 2024 Bonds, as total payment for all the Developer's rights or interest in the Series 2024 Project, which includes the Developer's rights or interest in the Improvements, impact fees and connection charges, and the Developer's rights and interests in certain interests in real property, an amount not to exceed **TWELVE MILLION NINE HUNDRED SEVENTY-FIVE THOUSAND AND 00/100 (\$12,975,000.00) DOLLARS** (the "Project Cost"). The parties acknowledge that this Project Cost could exceed the amount of net proceeds available from the Series 2024 Bonds to be issued by the District. The total payment to be made by the District for all the Developer's rights or interests in the Series 2024 Project calculated in accordance with and subject to this Agreement shall not exceed the amount of net proceeds available from the Series 2024 Bonds (the "Purchase Price") deposited into the applicable Acquisition and Construction Account(s) and from monies in the Series 2024 Reserve Account Requirement as a result of satisfaction of the Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 (as such terms are defined in the Indenture, collectively, the "Reserve Account Release Conditions").

2.2 In no event shall the District pay more than the Purchase Price for the Series 2024 Project. In the event that there are not sufficient funds from the net proceeds of the Series 2024 Bonds to pay for the Series 2024 Project, then, the Project Cost shall be reduced to equal the amount of remaining funds available from the net proceeds of the Series 2024 Bonds and available monies in the Series 2024 Reserve Account Requirement as a result of satisfaction of the Reserve Account Release Conditions, so that payment of such remaining and available funds shall fully satisfy the District's obligation to the Developer and the Developer shall convey all of the Improvements and the interests in real property subject to this Agreement without further right to any additional payments for the Improvements, including impact fees and connection charges, or the interests in real property constituting the Series 2024 Project. The acquisition of the Developer's rights or interest in the Series 2024 Project by the District and the District's payment for same shall be in accordance with the terms of this Agreement and the Indenture, with the resolution or resolutions authorizing the Series 2024 Bonds, and the Engineer's Report, all of which are incorporated herein by reference. The parties recognize that Developer shall not be paid more than the Purchase Price

for the Series 2024 Project. The Developer agrees that any payment made by the District pursuant to this Agreement is subject to the District's issuance of the Series 2024 Bonds and the availability of proceeds from the Series 2024 Bonds pursuant to the terms of the Indenture.

2.3 For purposes of the payment provisions of this Agreement, all payments to the Developer shall be made and directed to Forestar (USA) Real Estate Group Inc., unless otherwise directed in writing by Forestar (USA) Real Estate Group Inc.

3. CONVEYANCE OF IMPROVEMENTS AND REAL PROPERTY.

3.1 In accordance with the terms and conditions of this Agreement, the Developer shall, in one or more conveyances, convey, or cause to be conveyed by the Developer or others, as the case may be, to the District by dedication, special warranty deed, quit claim deed, easement, bill of sale or other appropriate form of conveyance satisfactory to the District and its counsel, any and all of the Developer's rights in the interests in real property and the Improvements from time to time and as the Improvements are completed. At least fifteen (15) days prior to the date of conveyance of any interests in real property hereunder, the Developer shall provide the District with copies of surveys and as-built plans, if applicable, signed and sealed by the Developer's surveyor and/or engineer of record describing the Improvements being conveyed. At least five (5) days prior to the date of conveyance of any interests in real property hereunder, the Developer shall provide the District with title insurance, an attorney's opinion of title or other evidence of clear title relating to any interests in real property and Improvements acceptable to the District and its counsel describing the nature of Developer's rights or interest in the real property and Improvements being conveyed, and stating that (i) such interests in real property and Improvements are free and clear of all liens and encumbrances, except as provided herein and except for those encumbrances that do not impair or interfere with any functions of the District, (ii) all governmental approvals necessary to install the Improvements have been obtained, and (iii) the Developer is conveying the complete interest in the Improvements to the District.

3.2 Pursuant to and as more particularly described in the Engineer's Report and as part of the Series 2024 Project, the Developer is required, at no cost to the District, to convey or ensure the conveyance of those interests in real property necessary for the District to own, operate and maintain the Series 2024 Project. With respect to the conveyance of the interests in real property (conveyed without compensation), on the date of the closing on said Property, or portions thereof, the Developer shall deliver to the District the following original documents:

- a. Quit Claim Deed (the "Deed") or Grant of Easement;
- b. Attorney's Opinion of Title;
- c. Owner's/Seller's Affidavit;
- d. Bill of Sale for improvements on the property;

- e. Any necessary consent resolutions; and
- f. Any assignments or other documents that might be required as part of or in connection with the issuance of the title commitment or opinion of title.

3.3 The parties acknowledge and agree that certain portions of the Improvements may have been or will be constructed in rights-of-way, utility easements, common areas or areas, any or all of which may have been previously dedicated to other governmental bodies, public entities, or other quasi-public organizations, and that, therefore, such portions of the Improvements may be subject to certain rights of other governmental bodies, public entities, other quasi-public organizations. Accordingly, the Developer's rights or interest in such portions of the Improvements may be conveyed by the Developer to the District, subject to such other rights provided such rights are perpetual in nature.

3.4 All terms and conditions of this Agreement apply equally to conveyances made prior to funding from proceeds of the Series 2024 Bonds, and the District shall make payment for such conveyances in accordance with Section 4 below, provided that under no circumstances shall a conveyance made prior to such funding obligate the District to make payment prior to receipt by the District of such funding from the net proceeds of the Series 2024 Bonds.

3.5 By approval and execution of this Agreement, the District authorizes and ratifies the preparation and execution by the proper official(s) of the District of all documents necessary to effectuate the conveyances contemplated by this Agreement.

3.6 The Developer further agrees to convey, or have conveyed without monetary consideration, such real property and interests in real property, whether by deed, easement, or otherwise, from the Developer or other owner(s), as the case may be, so that the District has full access by means of ingress and egress to all Improvements for purposes of ownership and maintenance of said Improvements and in accordance with the Engineer's Report. Developer further agrees to, within twenty (20) days of the date of this Agreement, convey or have conveyed, at no cost, such other real property interests in the District Lands from the Developer in favor of the District as determined to be necessary by District Counsel and which permit the District to acquire and construct, own, operate, and maintain the Series 2024 Project within said District Lands.

4. PAYMENT FOR IMPROVEMENTS.

4.1 After receipt by the District of funds from the net proceeds of the Series 2024 Bonds and in accordance with the terms of the Indenture (to be entered into in connection with the issuance of the Series 2024 Bonds) and this Agreement, the District agrees to pay the Developer upon the issuance of the Series 2024 Bonds from available funds for that purpose under the Indenture, as total payment for all of the Developer's and any other grantor's rights or interest in any Improvements to be conveyed to the District, an amount less than the Purchase Price that shall not exceed the lesser of the documented actual cost of the Improvements or the Engineer's estimated fair market value of such Improvements, with the exact purchase price to be based on the certificate of the Engineer, and which is subject to the amount of funds available to the District from the net proceeds of the Series

2024 Bonds to pay for the Improvements (the “Improvements Purchase Price”). The Improvements Purchase Price is inclusive of any impact fees or connection charges that are part of the Series 2024 Project, as described in Section 5 of this Agreement and in the Engineer’s Report. The Developer shall convey all the Improvements subject to this Agreement without further right to any additional payments for the Improvements, including the impact fees and connection charges, by the District and the District’s payment for same shall be in accordance with the terms of this Agreement and the Indenture and with the resolution or resolutions authorizing the Series 2024 Bonds and the Engineer’s Report. The payment of the Improvements Purchase Price shall occur in the following manner:

4.1.1 Payment. From time to time subsequent to the Effective Date of this Agreement and subsequent to the receipt by the District of funds from proceeds of the Series 2024 Bonds, upon proper requisition as provided by the Indenture and upon certification by the Engineer and the Developer in accordance with Section 7 of this Agreement with respect to any portion of the Improvements to be conveyed or already conveyed, the District shall direct the Trustee to pay the Developer such certified amount in one or more installments as necessary. To the extent that there are sufficient funds available from the net proceeds of the Series 2024 Bonds, the District will continue to pay the Developer for certain portions of the Improvements as those portions are conveyed to, and accepted by, the District in accordance with this Agreement, until the earlier of such time as the total Improvements Purchase Price shall have been paid to the Developer or there are no longer any funds available to the District from the net proceeds of the Series 2024 Bonds to pay for the Improvements.

4.1.2 No Additional Payment Obligation. Nothing in this Agreement shall obligate the District to make additional payments in the event that there are not sufficient funds available to the District from the net proceeds of the Series 2024 Bonds or from the Series 2024 Reserve Account Requirement upon satisfaction of the Reserve Account Release Conditions to pay for the Improvements.

4.1.3 Maximum Payment. In no event shall the District pay more than the Improvements Purchase Price for all of the Improvements, and in the event that there are not sufficient funds from the net proceeds of the Series 2024 Bonds to pay for Improvements, then, the Improvements Purchase Price shall be reduced to equal the amount of remaining funds available from the net proceeds of the Series 2024 Bonds, so that payment of such remaining and available funds shall fully satisfy the District’s obligation to the Developer and the Developer shall convey all of the Improvements subject to this Agreement without further right to any additional payments for the Improvements. The acquisition of the Developer’s rights or interest in the Improvements by the District and District’s payment for the same shall be in accordance with the terms of this Agreement and the Indenture and with the resolution or resolutions authorizing the Series 2024 Bonds and approving the Engineer’s Report. Notwithstanding, the parties recognize that the Developer shall not be paid more than the Improvements Purchase Price for the Improvements that constitute the Series 2024 Project.

4.2 No provision of Section 4 shall relieve the Developer of the completion obligations in Section 8 or which may be contained in a separate Completion Agreement, dated

_____, 2024, entered into by and between the District and the Developer (the "Completion Agreement"). Notwithstanding anything else in this Agreement to the contrary, the District and Developer acknowledge that the District's obligation to pay for the Series 2024 Project is subject to the terms of the Indenture.

5. PAYMENT FOR IMPACT FEES AND CONNECTION CHARGES. The Developer agrees that the road impact fees and water and sewer connection charges are part of the District's Series 2024 Project. If the Developer pays the impact fees and/or connection charges to the applicable governmental authority, it shall be paying them on behalf of the District. To the extent the net proceeds of the Series 2024 Bonds are sufficient, the District shall reimburse the Developer if the Developer makes such payments. If the Developer is entitled to any impact fee credits, the Improvements Purchase Price and the Purchase Price for any component of the Series 2024 Project that generated the impact fee credits shall be reduced in like amount.

6. CONDITION OF IMPROVEMENTS AND PROPERTY; WARRANTY. At the time of conveyance by the Developer of the Developer's rights or interest in all or any portion of the completed Improvements, the portion of the Improvements being conveyed shall be in good condition, reasonably free from defects, as determined by the District's Engineer; and Developer warrants to the District, and to any government entity to which the Improvements may be conveyed by the District, that said Improvements shall be free from defects in materials, equipment or construction for a period of one (1) year from the date of conveyance. Developer further agrees, as part of any conveyance of Improvements, to assign to the District any warranties associated with or applicable to the Improvements, but only to the extent capable by their terms of being assigned. Notwithstanding any warranty relating to the Improvements contained herein, the District acknowledges that any interests in real property conveyed hereunder shall be conveyed in "AS IS, WHERE IS" condition, with no representation, warranty, or recourse, excepting that which is provided in any quit claim deed, opinion of title, or title insurance commitment pertaining to the property.

7. CERTIFICATIONS. Before any payment by the District for any portion of the Improvements, the District shall be provided with a certificate (or certificates), signed by the District's Engineer and a certificate (or certificates) (collectively, the "Certifications") signed by the Developer certifying that: (a) the amount to be paid to the Developer for any portion of the Improvements does not exceed the lower of (i) the actual cost paid or to be paid by the Developer for said Improvements (based upon representations of the Developer) or (ii) the fair market value of such Improvements; (b) that said Improvements for which payment is to be made are part of the Series 2024 Project; (c) that said Improvements conveyed or to be conveyed to the District have been installed or constructed in substantial conformity with the plans and specifications and in conformance with applicable rules, regulations, ordinances, laws and all permits and approvals governing the installation or construction of the same; (d) that all currently required approvals and permits for acquisition, construction, reconstruction, installation and equipping of the Improvements or any portion thereof have been obtained or can reasonably be expected to be obtained from all applicable regulatory bodies; (e) that the Developer has paid all contracts, subcontracts and materialmen that have provided services or materials in connection with such Improvements; (f) that sufficient funds are or are not available from the net proceeds of the Series 2024 Bonds to acquire or

construct any remaining portion of the Series 2024 Project; and (g) that each payment to be received by the Developer pursuant to this Agreement does not constitute a loan of the proceeds of the Series 2024 Bonds to the Developer. If sufficient funds are not available from the net proceeds of the Series 2024 Bonds to acquire or construct any remaining portion of the Series 2024 Project, the project completion obligations of Section 8 herein and in the Completion Agreement to be entered into by the parties of this Agreement in connection with the issuance of the Series 2024 Bonds shall be invoked and applicable.

Final completion of the Improvements is to be provided by the Developer, and such completion shall be evidenced by a certificate of completion signed by the Developer and the District's Engineer and delivered to the District.

8. COMPLETION.

8.1 The Developer covenants that it shall cause the Improvements and the Series 2024 Project to be completed and conveyed and shall convey or cause to be conveyed any interests in real property necessary for the maintenance and operation of the Improvements or the Series 2024 Project, regardless of whether the net proceeds of the Series 2024 Bonds or other amounts available for that purpose under the Indenture are sufficient to cover the costs of such completion and such conveyances. The Developer hereby agrees to complete or cause to be completed or to provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Improvements which remain unfunded from the net proceeds of the Series 2023 Bonds, including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs (collectively, the "Remaining Improvements"), for the Improvements specially benefiting the District Lands.

8.2 The Developer acknowledges that the Project Cost will likely exceed the amount of net proceeds anticipated to be available under the Series 2024 Bonds according to the Master Special Assessment Methodology Report, dated February 7, 2022, as supplemented by the Supplemental Special Assessment Methodology Report, dated November 18, 2024, each prepared by Wrathell, Hunt & Associates, LLC, as may be further amended and supplemented by the District Board of Supervisors from time to time (collectively, the "Methodology Report"), the District will issue **\$6,015,000** in principal amount of Series 2024 Bonds, which will provide approximately **\$5,352,288** in available Series 2024 Bond net proceeds to pay the Improvements Purchase Price. The Developer covenants to enter into, prior to the issuance of the Series 2024 Bonds, a Completion Agreement in a form acceptable to legal counsel to the District.

8.3 Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness, or to provide funds for any portion of the Remaining Improvements or interests in real property from any source other than the proceeds of the Series 2024 Bonds, including amounts from the Series 2024 Reserve Account Requirement upon satisfaction of the Reserve Account Release Conditions.

9. APPLICATION OF TRUST INDENTURE. The acquisition of the Developer's

rights or interest in any portion or all of the Series 2024 Project by the District and District's payment for same shall be in accordance with the terms of this Agreement and applicable provisions of the Indenture, which are specifically incorporated herein by reference and made a part hereof. In no case shall the cumulative price paid by the District for the Series 2024 Project exceed the lesser of Project Cost or available net proceeds from the issuance of the Series 2024 Bonds.

10. SUCCESSORS. The rights and obligations created by this Agreement shall be binding upon and inure to the benefit of Developer and District, their heirs, executors, receivers, trustees, successors, successors-in-title, and assigns.

11. CONSTRUCTION OF TERMS. Whenever used, the singular number shall include the plural, the plural the singular; the use of any gender shall include all genders, as the context requires; and the disjunctive shall be construed as the conjunctive, the conjunctive as the disjunctive, as the context requires.

12. ENTIRE AGREEMENT. This Agreement contains the entire understanding between the District and the Developer and each agrees that no representation was made by or on behalf of the other that is not contained in this Agreement and that in entering into this Agreement neither party relied upon any representation not herein contained.

13. CAPTIONS. The captions for each section of this Agreement are for convenience and reference only and in no way define, describe, extend, or limit the scope of intent of this Agreement, or the intent of any provision hereof.

14. SEVERABILITY. If any provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefit by any party hereunder or substantially increase the burden of any party hereto, shall be held to be invalid or unenforceable to any extent, the same shall not affect in any respect whatsoever the validity or enforceability of the remainder of this Agreement.

15. EXECUTION OF DOCUMENTS. Each party covenants and agrees that it will at any time and from time to time do such acts and execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such documents reasonably requested by the parties necessary to carry out fully and effectuate the transaction herein contemplated and to convey good and marketable title for all conveyances subject to this Agreement.

16. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be executed by facsimile, which shall be good as an original, and may be detached from the counterparts and attached to a single copy of this document to physically form one document.

17. AUTHORITY. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of

law, and each party has full power and authority to comply with the terms and provisions of this Agreement.

18. AMENDMENTS AND WAIVERS. This Agreement may not be amended, modified, altered, or changed in any respect whatsoever except by a further agreement in writing duly executed by the parties hereto. No failure by District or Developer to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term, or condition. Either party hereto, by notice, may but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder. No waiver shall affect or alter this Agreement but each and every covenant, agreement, term, and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Notwithstanding anything herein to the contrary, this Agreement may not be materially amended in a manner that (a) could have the effect of reducing the total debt service revenue collected or to be collected for payment of debt service on the Series 2024 Bonds or (b) lessens Developer's obligations in this Agreement without the written consent of the Trustee for the Series 2024 Bonds, acting at the direction of the Bondholders (as defined in the Indenture) owning a Majority of the aggregate principal amount of the Series 2024 Bonds then outstanding. The term "Majority" shall mean more than fifty (50%) percent.

19. APPLICABLE LAW. This Agreement is made and shall be construed under the laws of the State of Florida.

20. COSTS AND FEES. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorney's fees and costs for trial, alternate dispute resolution, or appellate proceedings.

21. NO THIRD-PARTY BENEFICIARIES. Except as provided below, this Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns (other than end users). Notwithstanding anything herein to the contrary, the Trustee for the Series 2024 Bonds, on behalf of the Bondholders, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and, acting at the direction of the Bondholders (as defined in the Indenture) owning a Majority of the aggregate principal amount of the Series 2024 Bonds then outstanding, shall be entitled to cause the District to enforce the Developer's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

22. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the parties in an arm's length transaction. The parties participated fully in the preparation of

this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

23. ASSIGNMENT. This Agreement, or any monies to become due hereunder, may be assigned by the Developer, provided that the Developer first obtains the prior written approval of the District, which approval shall not unreasonably be withheld. The Developer may not assign its obligations hereunder without the prior written consent of the Trustee acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2024 Bonds outstanding; however, no consent shall be required if the assignee is acquiring a majority of the Developer's interest in the District Lands.

24. FURTHER ASSURANCES. At any and all times, the Developer and District shall, so far as either may be authorized by law, make, do, execute, acknowledge and deliver, all and every other further acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable, as determined by the District, for the better assuring, conveying, granting, assigning and confirming of any and all rights or interest in the Improvements and the real property which are intended or required to be acquired by or conveyed to or by the District as contemplated by the Indenture and this Agreement, including the conveyance, assignment or transfer to other government agencies of such portions of the Improvements or interests in real property as authorized, directed or required by applicable laws or regulations, conditions of development orders, or agreements entered into by the District.

25. REMEDIES. 2. COMPLETION OF THE SERIES 2023 PROJECT.

(a) The Developer and District agree and acknowledge that the available net proceeds of the District's Series 2024 Bonds will provide only a portion of the funds necessary to complete the Series 2024 Project. The District will issue a total of **\$6,015,000** in principal amount of Series 2024 Bonds, which will provide approximately **\$5,352,288** in available Series 2024 Bond net proceeds to pay for the Series 2024 Project. The Developer hereby agrees, subject to the provisions of this Agreement, including subsection (c) below (i) to complete or cause to be completed or (ii) to provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Series 2024 Project which remain unfunded from available net proceeds of the Series 2024 Bonds and from any amounts deposited pursuant to the Indenture into the Acquisition and Construction Fund and from monies in the Series 2024 Reserve Account Requirement as a result of satisfaction of Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 (as each is defined in the Indenture, collectively, the "Release Conditions")), including, but not limited to, all administrative, legal, warranty, engineering, permitting, real estate acquisition costs, or other related soft costs, for the Series 2024 Project specially benefiting the District Lands (collectively, the "Remaining Improvements"), whether pursuant to existing contracts, contracts assigned by the Developer to the District, or future contracts, and all change orders to any such contracts. The Developer acknowledges that the Project is anticipated to be completed and conveyed before [REDACTED], 202[REDACTED], and the Developer has no reason to believe the Remaining Improvements will not be completed and conveyed to the District within that time frame or that the Developer will not provide funds to the District to permit the Remaining Improvements to be completed within that time frame. The Developer shall cause the property interests associated with the Project to be conveyed to the District prior to the completion of the Project or within sixty (60) days of written demand of the District, whichever is earlier

(b) Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness, or to provide funds for any portion of the Remaining Improvements from any source other than the net proceeds of the Series 2024 Bonds, including monies released from the Series 2024 Reserve Account Requirement upon satisfaction of the Release Conditions.

(c) The District and Developer hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which the Developer will provide any and all portions of the Remaining Improvements not funded by net proceeds of the Series 2024 Bonds, as follows:

(i) The Developer shall diligently proceed to complete or cause to complete the Remaining Improvements (without regard to the estimated cost thereof set forth in the Engineer's Report) and convey such completed components of the Remaining Improvements to the District, subject to the terms of the Acquisition Agreement (Series 2024 Project), dated [REDACTED], 2024, between the District and the Developer and pertaining to the Series 2024 Project, as the same may be amended by the parties from time to time (collectively, the "Acquisition Agreement"); provided, however, when all or any portion of the Remaining Improvements are the subject of an existing District contract, whether let or assumed by the District, then upon notice to the Developer

by the District, the Developer shall promptly, in accordance with the Acquisition Agreement, provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(ii) When any portion of the Remaining Improvements are not the subject of an existing District contract, then upon notice to the Developer by the District, the Developer, within a commercially reasonable time, may request that it instead provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed those Remaining Improvements, subject to a formal determination by the Board of Supervisors in advance that the option selected by the Developer will not adversely impact the District and is in the District's best interests.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

(a) The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Series 2024 Project, including the Remaining Improvements, may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series Project which could have the effect of reducing the payment of the scheduled debt service on the Series 2024 Bonds or the collection of the Series 2024 Assessments or which lessen Developer's obligations in this Agreement shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Series 2024 Project shall require the prior written consent of the Trustee acting at the direction of the Bondholders (as defined in the Indenture) owning a Majority of the aggregate principal amount of the Series 2024 Bonds then outstanding. The term "Majority," as used herein, shall mean more than fifty (50%) percent.

(b) The District and Developer agree and acknowledge that for any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. All conveyances to the District shall be in accordance with the Acquisition Agreement or any other agreement or agreements governing conveyances between the Developer and the District.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by the Developer of its completion obligations hereunder is expressly subject to, dependent and conditioned upon (i) the issuance of Series 2024 Bonds in the aggregate par amounts set forth above and use of available net proceeds thereof to fund a portion of the Series 2024 Project for the District Lands and (ii) the scope, configuration, size and/or composition of the Series 2024 Project for the District Lands not materially changing from the Engineer's Report, adopted by the District as of the Effective Date hereof, without the consent of the Developer; provided, however, such consent will not be necessary and the Developer must meet its completion obligations when the

scope, configuration, size and/or composition of the Series 2024 Project is materially changed in response a requirement imposed by law or by a regulatory agency (to be understood as including any governmental action or requirement) other than the District.

(d) In the event of a conflict in a provision set forth in this Agreement and in the Acquisition Agreement, the applicable provisions of the Acquisition Agreement shall control.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE.

A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Notice of default must be given to the Developer, and the Developer shall thereafter have a commercially reasonable time to cure the default. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District’s right to protect its rights from interference by a third party to this Agreement.

5. AMENDMENTS.

Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. Additionally, this Completion Agreement may not be materially amended in a manner that (a) could have the effect of reducing the total debt service revenue collected or to be collected for payment of debt service on the Series 2024 Bonds or (b) lessens Developer’s obligations in this Agreement without the prior written consent of the Trustee for the Series 2024 Bonds, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

6. AUTHORIZATION.

The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

7. NOTICES.

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing and shall be (as elected by the person giving such notice) hand-delivered by prepaid express overnight courier or messenger service, telecommunicated, or mailed (airmail if international) by registered or certified (postage prepaid), return receipt requested, to the following addresses:

The Trustee shall not be deemed to have assumed any obligations hereunder.

11. ASSIGNMENT. This Agreement, or any monies to become due hereunder, may be assigned, provided that the assigning party first obtains the prior written approval of the other party, which approval shall not unreasonably be withheld. The Developer may not assign its obligations hereunder without the prior written consent of the Trustee acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2024 Bonds outstanding; however, no consent shall be required if the assignee is acquiring a majority of the Developer's interest in the District Lands.

12. CONSTRUCTION OF TERMS. 14. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement are public records and are treated as such in accordance with Florida law.

15. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. SOVEREIGN IMMUNITY. Developer agrees that nothing in this Agreement shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, Florida Statutes, as amended, or other statutes or law.

The Landowner, on behalf of itself and its respective successors, successors-in-title, and assigns hereby waives the right granted in Chapter 170.09, *Florida Statutes*, to prepay the Series 2024 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Series 2024 Assessments in full or in part at any time, but with interest, under the circumstances set forth in the resolutions of the District levying the Series 2024 Assessments.

5. The Landowner hereby expressly acknowledge, represent and agree that (i) the Series 2024 Assessments, the Assessment Resolutions, and the terms of the Acquisition Agreement (Series 2024 Project), dated [REDACTED], 2024 and the Completion Agreement (Series 2024 Project) to be dated on the date the Series 2024 Bonds (as later defined) are issued by the District, entered into or to be entered into by the Landowner and the District, and the Collateral Assignment and Assumption of Development Rights Relating to Juniper Cove (Series 2024 Bonds) and the True-Up Agreement (Series 2024 Bonds), all to be dated on the date the Series 2024 Bonds (as later defined) are issued by the District, and this Declaration of Consent to Jurisdiction, all of which the Landowner will enter into with the District (herein, collectively, the “Financing Documents”) and which are related to the District’s issuance of its **\$6,015,000** Juniper Cove Community Development District Capital Improvement Revenue Bonds, Series 2024 (the “Series 2024 Bonds”) or securing payment thereof, are valid and binding obligations enforceable in accordance with their terms; (ii) there are no claims or offsets whatsoever against, or defenses or counterclaims whatsoever relating to the creation of the District or the payments of the Series 2024 Assessments or claims of invalidity, deficiency or unenforceability of the Series 2024 Assessments and Financing Documents (and the Landowner hereby expressly waive any such claims, offsets, defenses or counterclaims); (iii) the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner’s default, and agrees that (1) the District’s Series 2024 Assessments are not a “tax,” and (2) immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (iv) the Landowner expressly waives and relinquishes any argument, claim or defense that either has or may have regarding the manner of the District’s collection of the Series 2024 Assessments.

6. This Declaration, upon issuance of the Series 2024 Bonds by the District, shall represent a lien of record against the Property for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Section 197.573, *Florida Statutes*. **TRUE-UP AGREEMENT
(SERIES 2024 BONDS)**

This True-Up Agreement (the “Agreement”) is made and entered into this 18th day of November, 2024 (the “Effective Date”), by and between:

JUNIPER COVE COMMUNITY DEVELOPMENT DISTRICT, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, being situated in unincorporated Miami-Dade County, Florida, and whose mailing address is c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (the “District”); and

RECITALS

WHEREAS, the District is a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, and Miami-Dade County Ordinance No. 21-139 (the “Ordinance”) for the purpose of planning, financing, constructing, installing, operating, acquiring and/or maintaining certain public infrastructure to serve the residential community known as “Juniper Cove”; and

WHEREAS, the District is comprised of approximately 58.92 +/- gross acres of land, as more particularly described in the Ordinance, and situated in unincorporated Miami-Dade County, Florida (the “District Lands”), which District Lands are located within the boundaries of the District and are described with particularity in Exhibit A, attached hereto and made a part hereof, and in the Engineer’s Report and the Assessment Methodology, each as later defined; and

WHEREAS, Developer is the landowner and developer of the District Lands and is the developer of the Improvements, as later defined, pertaining to said District Lands; and

WHEREAS, Developer covenants that the Developer has all necessary authority to develop the District Lands within the District and enter into this Agreement with the District; and

WHEREAS, the District has determined that it is in the best interests of the present and future landowners and will be a special benefit to the lands within the District Lands to finance, construct and deliver certain community development systems, facilities, and improvements to serve the District Lands, including, without limitation, onsite road right-of-way improvements, including related impact fees; stormwater management and drainage facilities, including earthwork related thereto; water distribution and sanitary sewer systems, including applicable connection charges; associated professional fees; related soft and incidental costs; and other related improvements (the “Series 2024 Project” or the “Improvements”), which Series 2024 Project is more specifically described in the Engineer’s Report, prepared by Alvarez Engineers, Inc. (the “Engineer”), dated February 7, 2022, as may be further amended or supplemented from time to time (collectively, the “Engineer's Report”), and in the plans and specifications on file at the office of the District (the “Plans”), which Engineer’s Report and Plans are hereby incorporated into and made a part of this Agreement by reference; and

WHEREAS, the District has imposed and levied non-ad valorem special assessments on the assessable acreage of the District Lands to secure financing for the acquisition and construction of the Series 2024 Project described in the Engineer’s Report and has validated capital improvement revenue bonds to fund a portion of the planning, design, permitting, construction and/or acquisition of such Series 2024 Project; and

WHEREAS, the District has imposed and levied such non-ad valorem special assessments (herein the “Series 2024 Assessments”) against the assessable acreage of the District Lands in accordance with the provisions of Chapters 170, 190 and 197, Florida Statutes, for purposes of paying certain \$6,015,000 Juniper Cove Community Development District Capital Improvement Revenue Bonds, Series 2024 (2024 Project) (collectively, the “Series 2024 Bonds”) to be issued pursuant to Chapter 190, Florida Statutes; and

WHEREAS, the Developer is responsible for the payment of all taxes and assessments levied on the District Lands, including the Series 2024 Assessments; and

WHEREAS, the District has accepted and utilized the provisions of the Master Special Assessment Methodology Report, dated February 7, 2022 (the “Master Methodology”) and the First Supplemental Special Assessment Methodology Report, dated November 18, 2024 (the “Supplemental Methodology,” together with the Master Methodology, the “Assessment Methodology”), describing the assessment allocation for the Series 2024 Assessments levied in connection with the Series 2024 Bonds to be issued by the District, both the Master Methodology and the Supplemental Methodology having been prepared by Wrathell Hunt & Associates, LLC, as such may be amended and further supplemented from time to time, incorporated by specific reference thereto and made a part hereof; and

WHEREAS, the Series 2024 Assessments are initially levied on all 58.92 +/- gross acres constituting the District Lands, and as platting of the District Lands within the District occurs, the Series 2024 Assessments will be assigned to the platted lots in the Development, as defined in the Indenture, on a first platted, first assigned basis in accordance with the Supplemental Methodology; and

WHEREAS, the District relies upon and intends to utilize the true-up analysis and mechanism set forth in Section 5.6 of the Supplemental Methodology; and

WHEREAS, the District and the Developer desire to provide for certain payments to the District in accordance with the true-up analysis and mechanism referenced above and further described herein; and

WHEREAS, unless otherwise defined herein, all capitalized terms shall be as defined in the Assessment Methodology and the Indenture, as applicable, which Indenture is collectively defined as the Master Trust Indenture dated as of December 1, 2024 and the First Supplemental Trust Indenture dated as of December 1, 2024 (collectively, the “Indenture”), each between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and as such Indenture may be further amended and supplemented from time to time.

NOW THEREFORE, in consideration of the mutual covenants herein contained, and for Ten and no/100ths (\$10.00) Dollars from the District to the Developer and other good and valuable consideration between the parties, the receipt and sufficiency of which are hereby acknowledged by the parties, and subject to the terms and conditions hereof, the parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. TRUE-UP PROVISIONS.

(a) As stated in the Assessment Methodology, the allocation of debt is a continuous process until the development plan for the District Lands, constituting 154 Single Family Units and 196 Townhome Units for a total of 350 Units (the “Development Plan”), as described in the Supplemental Methodology, is completed. Prior to platting, replatting, the recording of a declaration of condominium, or other means of identifying individual lots, the initial Series 2024 Assessments shall be levied by the District on an equal pro rata gross per acre basis to all acreage within the District Lands.

(b) The true-up mechanism under this Agreement applies to all lands within the boundaries of the District, including the District Lands. As the District Lands that are benefitted by the Series 2024 Project are platted or otherwise assigned by lots, the allocation of costs and benefit for the Series 2024 Project is based on an estimated number and type of dwelling units within the

District Lands for the Development Plan that are developed, as shown and described in Tables 1, 4 and 5 of the Supplemental Methodology.

(c) The Supplemental Methodology, particularly section 5.2, Table 2, Table 4, and Table 5 therein, allocates the benefit to the different categories of improvements that constitute the Series 2024 Project, utilizing various measures based upon the estimated number and type of residential units that are specially benefited by the Series 2024 Project. Correspondingly, consistent with section 5.6 of the Supplemental Methodology, whenever a plat, re-plat, site plan amendment, declaration of condominium, amendment to declaration of condominium, or revision thereof is submitted for processing to the local governing authority that has jurisdiction thereof, the District must allocate a portion of its debt over the District Lands according to the Supplemental Methodology. In addition, the District must prevent any buildup of debt on unplatted unassigned property within the District Lands, which consists of gross acres that have not been assigned the Series 2024 Assessments through the platting, recording of a declaration of condominium, or other means of identifying individual lots. To prevent the buildup of debt on said lands, the District shall perform a true-up test to ensure that each Equivalent Residential Unit (“ERU”), as described in the Supplemental Methodology, is assessed no more than the pro rata amount (based on total Series 2024 Project costs allocated and the total allocation of par debt) of a maximum annual debt service per ERU (and residential unit type), as described in Tables 4 and 5 of the Supplemental Methodology, and to determine potential remaining assessable ERUs that have not been or will not be developed.

(d) The true-up test shall be as follows:

(i) Based on the Development Plan for the District Lands, the District has fairly and reasonably allocated the benefit and will assign the debt across the various unit types based on the ERU factor attributable to each residential unit type, as described in the section 5.2, section 5.6, Table 4, and Table 5 of the Supplemental Methodology.

Notwithstanding that which is set forth above and in the Supplemental Methodology, if future platting or filing and recording of a declaration of condominium results in significant changes in land use or proportion of benefit per acre, the allocation methodology of the Assessment Methodology may no longer be applicable and the District may determine, in its discretion, to revise the allocation methodology.

(ii) In accordance with Table 4 and Table 5 of the Supplemental Methodology, based on a Development Plan for the District Lands includes a total of **310.8 ERUs**, the Series 2024 Bonds based on a Bond size of **\$6,015,000**, the Bond Assessment per ERU for the Series 2024 Bonds will be approximately **\$_____ per townhome unit and \$_____ per single family home unit**, which has been grossed up to include the 1% County Tax Collector fee, the 1% County Property Appraiser fee, and 4% discount for early payment of taxes (“Bond Assessment Per ERU”).

- (iii) Until initial plat approval or recording or declaration of condominium, the debt associated with the Series 2024 Project is initially distributed across the unplatted or unassigned acreage of the District Lands on an equal acreage basis across the 58.92+/- gross acres of the District. As plats are approved or declarations of condominium are recorded, the assigned properties are assessed on a first platted, first assigned basis in the manner described in the Supplemental Methodology. As platting of the Development Plan for the District Lands continues to occur, the Series 2024 Assessments will be assigned to the platted lots in the Development, as defined in the Indenture, on a first platted, first assigned basis in accordance with the Supplemental Methodology. For purposes of the Series 2024 Bonds, prior to final plat approval for the entire Development, based on a Bond size of **\$6,015,000.00**, each acre of land of remaining unplatted or otherwise unassigned properties within the District Lands will be assessed in accordance with section 5.3 of the Supplemental Methodology.
- (iv) In accord with section 5.6 of the Assessment Methodology, a true-up test shall be performed whenever a plat, re-plat, site plan amendment, declaration of condominium or amendment to declaration of condominium, or other revision to the Development Plan is submitted for processing to the local governing authority having jurisdiction thereof. This mechanism will ensure that the Bond Assessment per ERU basis never exceeds the initially allocated assessment per ERU. At that time when unplatted or otherwise unassigned properties become platted or assigned properties, the District must allocate the portion of the debt attributed to the benefitting real property according to the Supplemental Methodology and the ERU factors and allocations set forth in the Supplemental Methodology and, in accordance with the Supplemental Methodology, calculate the Bond Assessment per ERU based on the number and type of assessable residential units in the proposed plat, re-plat, site plan amendment, declaration of condominium or amendment to declaration of condominium, or other revision to the Development Plan for the District Lands. The District shall also determine the amount of anticipated assessment revenue that remains on the unplatted or otherwise unassigned lands, taking into account the proposed plat, declaration of condominium, or site plan approval.
- (v) After the Series 2024 Assessments are allocated to the platted or otherwise assigned properties within the District Lands, if the Development Plan for the District Lands is unchanged or and the true-up test calculates that the Bond Assessment per ERU is less than or equal to the \$ [REDACTED] (as defined in Section 2(d)(ii) above), then no debt reduction payment must be made and no true-up payment is required.
- (vi) However, if at any time any true-up test calculation results in the Bond Assessment per ERU for the remaining unplatted or otherwise unassigned properties being greater than \$ [REDACTED] pertaining to the Series 2024 Bonds, then, within ten (10) days following its receipt of written notice from the District that a true-up payment is

due, the Developer must make a debt reduction prepayment, including accrued interest, to the District in an amount equal to the difference in the Bond Assessment per ERU so as to be sufficient to retire an amount of the Series 2024 Bonds then outstanding such that the par amount of the outstanding Series 2024 Bonds plus accrued interest is at a level that can be supported by the change in the Development Plan for the District Lands.

(e) Correspondingly, consistent with section 5.6 of the Assessment Methodology, whenever any plat, re-plat, declaration of condominium, site plan, or revision thereof is submitted to the applicable local governing authority and which changes the product types or product mix of the Development Plan over the District Lands and as described in Table 4 and Table 5 of the Supplemental Methodology, a true-up test shall be performed. Not later than fifteen (15) days after the date the plat, re-plat, declaration of condominium, site plan, or revision thereof is submitted to the applicable governing authority, the Developer shall inform the District of such proposed change in the Development Plan. Any payment resulting from such true-up test would be due to the District within ten (10) days of the plat, re-plat, declaration of condominium, site plan, or revision being approved by the local government entity reviewing the same or when the change in Development Plan is implemented, whichever is sooner.

(f) In the event that additional land not currently subject to the Series 2024 Assessments levied by the District is developed in such a manner as to receive special benefit from the Series 2024 Project described herein, it will be necessary for the District to re-apply the methodology for allocating the Series 2024 Assessments to include such parcels. The additional land will, as a result of re-applying the assessment methodology of the Assessment Methodology, then be allocated an appropriate share of the Series 2024 Assessments while all currently assessed parcels will receive a relative reduction in their assessments. This pro-rata adjustment shall still provide the same amount of revenue from such Series 2024 Assessments necessary for repayment of the Series 2024 Bonds.

(g) Additionally, at the time of approval of a final plat or re-plat pertaining to the portion of District Lands being developed pursuant to the Development Plan, if any debt associated with the Series 2024 Bonds remains unallocated, then the Developer shall make a payment to the District sufficient to retire all remaining unallocated debt, which payment shall include accrued interest.

(h) If the Developer transfers ownership of the District Lands, or any portion thereof, said District Lands will maintain the allocated number of and types of units in the Development Plan described in Table 4 and Table 5 of the Supplemental Methodology. If the Development Plan is changed or said District Lands, or portions thereof are subdivided, or platted or re-platted, impacted by the recording of a declaration of condominium, or site plan or revision, the true-up test will be performed and the Developer shall be responsible to make the debt reduction or true-up payment described herein after calculation of the true-up.

(i) The Developer shall not transfer any portion of the District Lands to any third party other than (a) platted and fully-developed lots to homebuilders and/or

homebuyers, or (b) portions of the District Lands exempt from assessments to the City of Florida City, Miami-Dade County, the District, or other governmental agencies, except in accordance with Section 2(h)(ii) below. Any transfer of any portion of the District Lands pursuant to this Section 2(h)(i) shall terminate this Agreement as to such portion of the District Lands and constitute an automatic release of such portion of the District Lands from the scope and effect of this Agreement. Any violation of this provision by the Developer shall constitute a default under this Agreement.

- (ii) The Developer shall not transfer any portion of the District Lands to any third party, except as permitted by Section 2(h)(i) above, without making any debt reduction payment (plus accrued interest) that results from a true-up tests analysis that will be performed by the District prior and as a condition to such transfer (“Transfer Condition”). Any transfer that is consummated pursuant to this Paragraph 2(h)(ii) shall operate as a release of the Developer from its obligations under this Agreement as to such portion of the District Lands that is subject to such transfer, but only to the extent arising from and after the date of such transfer and satisfaction of the Transfer Condition, and the transferee shall be deemed to have assumed the Developer’s obligations in accordance herewith and shall be deemed the “Developer” from and after such transfer for all purposes as to such portion of the District Lands so transferred. In the event unplatted or otherwise unassigned lands (“Transferred Property”) are transferred to a third party not affiliated with the Developer but pursuant to this subsection, the Bond Assessment, as defined in the Supplemental Methodology, is assigned to the Transferred Property at the time of the transfer based on the total number of ERUs assigned by the Developer to that Transferred Property, subject to the prior review and approval of the District’s methodology consultant. The owner of the Transferred Property shall be responsible for the total Bond Assessment applicable to the Transferred Property, regardless of the total number of ERUs actually platted, as the total Bond Assessment for the Transferred Property is fixed to the Transferred Property at the time of the transfer. If the Transferred Property is subsequently subdivided into smaller parcels, the total Bond Assessment initially allocated to the Transferred Property shall be re-allocated to the smaller parcels pursuant to the methodology described in the Supplemental Methodology. Any violation of this provision by the Developer shall constitute a default under this Agreement.

3. VALIDITY OF ASSESSMENTS. The Developer agrees that the Series 2024 Assessments are legal, valid and binding liens on the property against which assessed from the date of imposition thereof until paid, coequal with the lien of state, county, municipal and school board taxes.
